

SUPERINTENDENT OF SCHOOLS SEARCH 2023

Community Focus Groups Schedule

On March 16, there will be an opportunity for Focus Groups to share their views regarding the qualifications desired in our new superintendent. Mr. Andy Ingall, our Michigan Leadership Institute Executive Search Consultant, will lead these meetings. The purpose of these focus groups is to gather information from a wide variety of stakeholders on the qualities, characteristics, background, and experiences desired for the next Superintendent of St. Johns Public Schools. In addition, we will be seeking input to develop the district's "Points of Pride " which will describe to candidates the advantages of living and working in the St. Johns community. The Board of Education thanks you in advance for your contribution to this important process.
