Community Forum - Bond Planning Update

May 31, 2023

Dear St. Johns Community,

As St. Johns Public Schools continues to look to the future of educating our community's children, it's important to understand how our facilities will continue to provide for the future.

Please join us on Monday, June 5 for a Community Forum - Bond Planning Update. After our building evaluations, stakeholder engagements, and community survey, St. Johns has identified potential projects for further consideration.

Join us to learn about the identified needs and opportunities, and have a chance to provide feedback. Your continued input is valued and an important part of the process.

The forum will be held on **Monday, June 5 at 6:00 p.m. in the High School Information Center.**

Thank you for your time and help in planning the future of St. Johns Public Schools.

Sincerely,

A handwritten signature in black ink that reads "Mark Palmer". The signature is written in a cursive style with a large, looped "M" and "P".
