

WELCOME BACK TO ANOTHER YEAR OF MUSIC IN 2025-26!

Hello Parents & Students!

My name is *Mrs. Clark* and I will be your *music teacher* for this year and many more to come. I welcome you to Eureka Elementary 2025-26!

I look forward to working with you and your child as we journey through music class together. We are set to learn how to sing, keep the beat with percussion instruments & rhythm workouts, play recorders and ukuleles and much more. The students will learn how to practice, perform individually and as a group, building self confidence to grow in everything we do. I have high expectations for our young learners and we will have fun growing and flourishing together, with music.

The Music Concert Schedule will be sent out within the next week or two. And an informational letter will be forthcoming in October.

I wish you all a wonderful year! Let the music begin!

Musically,
Larissa Gleason-Clark BM/MM
