Principal's Message

Dear Eureka Families:

Happy New Year and Welcome back. I hope everyone enjoyed the holidays with family and friends. My husband, son and I got to spend several days together and that doesn't happen often due to all of our schedules.

We are welcoming 2 student teachers this year and the kids are really excited. Mr. Matulis is hoping for cold weather so he can finish the ice skating rink. Thanks to the PTO for purchasing helmets so we can be safe on the ice. Thanks to those families that have donated sleds....the kids have been praying for snow! The Eureka Ball is being planned for February. It's a busy time of year.

Yours in Education,

Nanette Hugan, Principal

PTO

The Christmas Store was a huge success. They raised close to \$500. Thanks to all the parents that helped make the cocoa balls....there were lots of laughs and plenty of teamwork!

Events that are being planned for this year:

Eureka Ball - Feb. 18; rain date 2/25

80's Glow Party - April 21; rain date 4/29

If you are interested in helping with either of these events, please reach out to:

Meet, Greet and Work with other Eureka parents to benefit our fantastic school.

The Weather is Changing....

Please practice getting snow gear on/off with your little ones. We do go outside for recess and PE classes everyday.

Great job Aldan Ott for helping out at the Holiday Concert.

It was truly magical listening to the 1st graders sing with such enthusiasm.

If you normally pay for lunch, you will be expected to pay. Let your child's teacher know if you want them to have school lunch.

5th grade celebrating Native Americans. Fabulous Job!

Student Council

Candy Grams spread cheer all across Eureka School. Students and families purchased candy cane grams for \$1.00 a piece. They raised close to \$400!

They also donated many needed items to a local church pantry. Thank you for supporting such great causes..
