

Henningson Farm's Scholarship

Our 2025 scholarship will be (4) \$500 scholarships awarded for studies in Horticulture, Science, and areas with a focus in farming.

Applicants will need to submit a minimum 1000 words essay. The essay is to include the following:

Tell us about yourself and what your goals are.

What interest you in farming -studies in horticulture, environment, animal or science?
What area do you intend to study and why?

How do you feel you will make an impact on the environment, community and industry you hope to work in?

Please submit all essays to Henningsonfarms@gmail.com.

Deadline for essays is April 11, 2025. Awardees will be notified by April 22, 2025.

Warmly,

Suzi Henningson
