Dear Graduating Senior

It is with great pride that the St. Johns Education Association (SJEA) presents a scholarship opportunity to graduating seniors this year. SJEA is an organization of your teachers and guidance counselors dedicated to the improvement of education in our local schools. It is through the dues paid by members of the SJEA that this scholarship is possible.

Future Educator Scholarship: (minimum GPA: 3.0)

A one-time \$1000 scholarship will be awarded to a graduating senior who plans on a future career in education. The members of SJEA believe that teaching is one of the most important professions in our society and want to do their part to assist students who envision themselves becoming a future educator. Applicants must fill out an application and write a short essay explaining their philosophy of education and reasons for choosing teaching as a profession.

Applications for these scholarships are available in the Guidance Office with a deadline of 3PM April 5, 2024.

If you have further questions about these scholarship opportunities, you may see me (Mrs. Guenther, Room 110).

The scholarship recipient will be announced at the Senior Awards event at the end of the year.

Sincerely,

Jennifer Guenther
