

Stephen Kay Memorial Foundation Award

This award has been created to honor the memory of Stephen Kay. Stephen was a 2010 graduate of St. John's High School and was a proud member of the cross country team. He felt that the lessons he learned from cross country were about more than running; they were values he would carry throughout his life. Although Stephen was a competitive runner, he also cherished the relationships formed and work ethic he gained from his time with the team.
