

Welcome to Gateway First Grade!

Please bring the following items to Open House or send them with your child on the first day of school. While the supplies listed are not required, they are strongly encouraged as they will help set your child up for a successful and organized start to the year. No additional items beyond this list are needed. If your child brings supplies that aren't included, we kindly ask that those extra items be kept at home for homework projects, as space in our classroom drawers is very limited.

We also ask that you avoid purchasing locker decorations or shelves. Lockers can become quite crowded, especially during the winter months, and extra items may cause distractions.

Additionally, if your child plans to wear shoes with laces, we encourage practicing shoe-tying skills at home to help them build independence and confidence.
