# INTRODUCTION

The following report focuses on facts and figures highlighting the 2006-2007 school year at St. Johns High School pertaining to interscholastic athletics. The report addresses several components of the Athletic Program including league affiliation, sport offerings, classifications, accolades and awards, seasons review, coaching statistics, and athletic participation statistics. However, the intent of these findings relate directly to the opportunities provided to student-athletes through their participation in interscholastic athletics, and the benefits experienced that will serve as lessons for a life-time.
