OVERALL ATHLETES PARTICIPATION STATISTICS	22

# INTRODUCTION

The following report focuses on facts and figures highlighting the 2021-22 school year at St. Johns High School pertaining to interscholastic athletics. The report addresses several components of the athletic program including league affiliation, sport offerings, classifications and coaching statistics. However, the intent of these findings relate directly to the opportunities provided to student-athletes through their participation in interscholastic athletics, and the benefits experienced that will serve as lessons for a life-time.

The 2021-22 school year was very successful for our student-athletes, coaches and teams while competing in the Capital Area Activities Conference (CAAC). **Redwing success** included four CAAC Team Championships, one MHSAA Team District Championship, one MHSAA Pre-Regional Team Championship, two MHSAA Team Regional Championships, five Team Academic All-State Honors, 28 student-athletes earned Individual Academic All-State Honors, ten student-athletes earned All-State Honors, and one student-athlete won an individual state championship.

Chris R. Ervin, CAA  
Director of Activities
