Meeting Minutes – Approved as presented.

Financial Report – Approved as presented.

Candy Cane Shop – On track, final purchase was made, just need to get some to/from tags from Dollar Tree. Taking out wording about fundraiser. Sheila got the schedule done and the newsletter will be going out soon. Giving each class \$20 to hand out to students as needed. If there is a profit it goes back to the students.

Mother/Son Event & Daddy/Daughter Event – Alisha has narrowed down mother/son event to movie date or bowling. Sounds like most liked the idea of doing a movie event at the school and leaning towards January 19. Need to look into it more and see what needs to be done. Mary will be sending out save the dates for the daddy/daughter dance after thanksgiving. Going to be March 2 and it will be a unicorn theme.

Staff Appreciation – Going to change the weekly event to honor a different individual each day. For example, Monday – Principal, Tuesday – Main Teacher, Wednesday – support teachers and so on. Will be doing a sign up genius for conferences in January and the week of teacher appreciation in May.

Playground/Recess – Need ideas for different activities for when its blacktop only. Another octoball pit, peewee size footballs, etc. Mrs. Vrabel is going to send out a survey to teachers to hear their ideas.

Open Discussion

Phylis is going to put together a PTO Newsletter to send out. Need to winter proof the shed for mice. Also need to redo the sides and roof. Roofing Innovations is going to take care of the new roof. Teachers can get a quote together and get it to Marisa so they do not need to pay out of pocket for their supplies. Going to showcase Amazon Smile this month. Pencil machine has fundraiser pencils in it and when a child gets one they receive a McDonald's small cone coupon.

Adjournment – 7:39pm
