

Riley PTO Meeting Minutes
August 25, 2020 - Unapproved
6:30 PM- Hager Residence

Meeting called to order at 630pm

Attendees – Dana Nichols, Christie Shafer, Nicki Wilcox, Heather Hager, Sarah Doak

Financial Report – Discussed that we will likely have some major budget shortfalls because we will not be able to have the Run-Raiser this fall. We are hoping that we can hold it this spring, but we just don't know yet. With no assemblies/field trips being planned we may be able to adjust the budget on going, but we can delve into that at a full meeting

Open Discussion –

- Current EO restricts in person meetings to 10 people or less if indoors, therefore the board would like to postpone the elections until spring. **Unless there is a strong opposition to this plan, the current board members will remain in their current positions as well as add two more members for the at large positions.**
- Shoparoo is no longer and Box Tops is virtual only (no more cutting and sending them in!)
- We discussed different apps/programs that would allow us to accept online payments/donations for fundraisers etc. We will look into Venmo as PayPal charges us a certain % of every dollar we take in.
- We will plan on a full member meeting on 9/22/2020 time and location to be determined (potentially online)

Adjournment – 815pm
