Welcome to 3rd Grade!

Hello and welcome to Third Grade! I am so excited to meet and get to know all of you this upcoming year!

First, let me introduce myself. I am Miss K and I was born and raised in St. Johns! After graduating high school, I attended Saginaw Valley State University where I received my Bachelor's Degree in Elementary Education! This will be my second year teaching and I am thrilled to be able to experience this in my hometown and in such a great community! Before accepting this position I student taught in first grade at Carrollton Elementary in the Saginaw area. Also in the Saginaw area, I ran a summer school program for students K-6. Before that I worked with K-6 students at Adventure Club here in St. Johns! In addition, I love to bake! I love to find new or weird recipes to try with my friends when I am bored! I also love music! I played flute in my high school marching band as well as a few years in SVSU's marching band!

Next, one of my many goals is to create a close relationship between home and school. One way we do this is through our school planners.

Every day, your child will write down important information about happenings at school. I ask you to sign it (make comments if you want) every night and return it to school the next day. This way we both know what is expected of your child and the lines of communication are open. Also, I will keep you informed of our school and classroom activities through newsletters and various emails. I am very excited about this coming school year and look forward to working with all of you!

Finally, I am excited to work together with you as a team to be able to do the best for your child!

Your 3rd Grade Teacher,
Miss K.
