

# WELCOME BACK TO ANOTHER YEAR OF MUSIC IN 2024-25!

Hello Parents & Students!

My name is *Mrs. Clark* and I will be your *music teacher* for this year and many more to come. I welcome you to Riley Elementary 2024!

I look forward to working with you and your child as we journey through our music classes. We are set to learn how to sing, keep the beat with percussion instruments, play recorders and ukuleles and much more. The students will learn how to practice, perform individually and as a group. I have high expectations for our young learners and we will have fun growing and flourishing together, with music.

The students' first concerts are scheduled for **December 10th and 11th**. A letter will be forthcoming in October.

I wish you all a wonderful year! Let the music begin!

Musically,
