STUDENT-INITIATED PASSES

This page contains your student-initiated passes for the year. In addition to passing times between classes and to and from lunch, students are allocated 12 passes per trimester. You may ask your teacher for permission to use them. As always, passes are granted at the discretion of your teacher based on need, timing, and other factors.

Please fill out the date, time, and location. Ask your teacher to initial the box. Use your passes wisely. You will likely NOT need all the passes. Remaining student passes do not carry over to the next trimester.

Redwing families,

On behalf of the faculty and staff here at St. Johns Middle School (SJMS), the proud home of the Redwings, it is our pleasure to welcome you to the 2019-2020 school year. We are excited about all we will accomplish together. Our school motto is, “Working as a team to build the future.”

We firmly believe that the academic, social, and emotional success of our students depends on the team efforts of families, teachers, support staff, coaches and the students themselves. At SJMS, there are opportunities for all students to get involved in their education through classroom and co-curricular activities…to express their Redwing pride through creative endeavors, athletic achievements, and service learning. We are confident that this school year will be one of academic successes, personal growth, and meaningful experiences.

The middle school years are special. We truly believe they can be engaging and enjoyable for every student. This level in your child’s education is so much more than a step between elementary and high school. At SJMS, students build on their prior learning in the required subjects (See the St. Johns Middle School Course Description Guides for details.) in engaging and increasingly sophisticated ways. They explore their interests in areas such as the industrial and technological arts, living skills, the visual and performing arts, world languages, service, student leadership, and athletics. Students find their niche among friends while learning to make good decisions. They are allowed more freedom and choice, but they also take on more responsibility.

SJMS is providing this handbook to assist you in understanding our policies and procedures, the practices we employ to run our building in a safe, practical, supportive and respectful way. If you have any questions about the information herein, please feel free to contact the school or visit our website (www.sjredwings.org) for more information. Effective communication between school and home, cooperation, and shared expectations are crucial components for student success. We welcome you to visit our school, volunteer, join the St. Johns Middle School Community Group (https://www.facebook.com/SJMSCG), or otherwise take an active role in your child’s education.

On behalf of the entire SJMS staff, we look forward to working together with you, the parents and guardians, to support our students’ budding independence, academic efforts and personal discovery throughout the coming year. Feel free to contact us to provide input, ask questions or get involved. This is going to be a great year.

Yours in service,

Mrs. Adel DiOrio, Principal

Mr. James Matice, Assistant Principal

STUDENT TELEPHONE/MESSAGES

Students may use the office telephones for communication home to parents before and after school hours; students will need a teacher’s pass to use the office telephones during the school day. Students may also use their personal cell phones IN THE OFFICE to call parents with teacher permission. Other phone calls on personal devices within the school day are not allowed. Please see page 11 of this handbook regarding possession of cellular telephones. Please make every effort to discuss issues such as transportation and after-school plans with your student prior to arriving to school.

LOST AND FOUND: SJMS has two Lost and Found Areas: (1) in the Assistant Principal’s office and (2) in the Auditeria. Students should label all personal items including with their full name so they can be returned if lost. Anything believed to have been stolen should be reported to the Assistant Principal’s office.

VISITORS/GUESTS: All visitors (adults or students) must report to the main office upon entering the school building, register, and pick up their visitor tag. Students wishing to bring guests to school must
request permission from the Assistant Principal. The Assistant Principal will consider attendance, grades, and behavior before granting permission for student visitors. The Assistant principal may also contact the principal of the guest student’s school. If permission is granted, students must then secure permission from each classroom teacher to have a guest. This should be done in advance of the visit. No visitors are allowed on test days, when other schools are not in session, or when prior arrangements have not been made.

Parents who wish to visit their student’s classrooms are to contact the office 24 hours prior to the visit and obtain approval from an administrator.

**HEALTH CLINIC/MEDICATIONS:** Any student who becomes ill during school hours must report to the Health Clinic. The Clinic is available for illness and first aid. Students should report to class first and get a pass from their teacher, except in emergencies. If a student needs to go home, a parent must be contacted by the office for permission and to arrange transportation. Students who are too sick to continue will be sent home. It is important that emergency care forms are turned in so that parent(s) can be located when illness or accidents occur.

The term “medication” includes both prescription and non-prescription medications, such as cough drops and homeopathic remedies. It includes those taken by mouth, those that are inhalable, injectable, applicable as drops to eye or nose, or applicable to the skin.

A. No medication or homeopathic remedies will be given without written authorization from both parent and physician. Medication authorization forms are available in the Assistant Principal’s office.

B. The student’s parent/guardian must provide the school with written permission and request to administer medication.

C. A written order from the physician must accompany the medication and include the following:
   1. Student’s Name
   2. Name of Medication
   3. Dosage
   4. Time to Administer (specific time of day or emergency circumstance)
   5. Route of Medication
   6. Duration of Administration
   7. Reason for Medication (diagnosis and anticipated effect)
   8. Undesired Side Effects

D. The Medication Authorization form must be renewed each school year. Parental or guardian request/permission and physician’s instructions are valid for the current school year only.

E. Medication shall be transported to and from school by the parent/guardian unless other safe arrangements are made in advance with the school.

F. A physician’s written order is required for a change in medication dosage or time of administration.

G. Injectable medication may be self-administered. If the student has an emergency medication to be administered by injection and cannot personally inject it, EMS will be called to the scene. **School personnel will not be expected to administer subcutaneous or intramuscular injections not supplied in auto-pen form.**

H. Prescription and medication supply renewal shall be the responsibility of the parent/guardian.

**Procedures for student self-administration/self-possession of Inhalers or emergency medication only:**

**Definition:** Self-administration means that the student is able to administer medication in the manner directed by the physician without additional assistance or direction. Self-possession means that under the direction of the physician, the student may carry medication on his/her person to allow for immediate and self-determined administration.
A. The student’s parent/guardian must provide written permission and request to the school to allow student to self-possess and self-administer inhalers or emergency medications.

B. Written instructions, which include name of student, name of medication, dosage, time to be administered, route of administration, duration of administration, and the physician/provider instruction that the student may self-possess and/or self-administer must be provided to the school.

C. A new Medication Authorization form must be renewed each school year. Parental or guardian request/permission and physician’s instructions are valid for the current school year only.

D. All medication shall be kept in a labeled container as prepared by a pharmacy or pharmaceutical company and labeled with dosage and frequency of administration. This language also pertains to refills.

These rules must be followed for all medications including aspirin and other non-prescription drugs.

APPOINTMENTS: Students are not to leave the building during school hours unless released by the office. If a student needs to leave for an appointment, a written request from parents or parent phone call must be received by the attendance office before school. Upon returning to school, students are to report to the attendance office and sign in.

SCHOOL RECORDS

DIRECTORY INFORMATION: Federal and state law require a school district to release “directory information” for any child upon written request unless the parent or guardian specifically requests in writing that this information not be given. “Directory information” includes the child’s name, address, phone number, date and place of birth, photographs, major and minor fields of study and courses taken, participation in official school activities and sports, honors and awards, height and weight of athletes, dates of attendance, most recent previous schools attended, date of graduation, and other similar personally identifiable information.

At the start of the school year, each student will receive a form entitled “Permission for Release of Directory Information.” To limit the access of directory information to only those who have an educational reason or are approved by the school administration, you must select “Limited Access” on this form. Contact the school if you have questions.

ASSIGNMENTS: Parents can call the school office and request assignments for students who are absent for 3 or more days. Notices will then be sent to the teachers. 24 hours of notice will be allowed for them to prepare these assignments. Please dial 227-4300.

GRADING SCALE: SJMS uses the following grading scale:

PROGRESS REPORTS: Progress reports will be handed out at Parent/Teacher conferences. Students having earned an incomplete grade or D or F averages will receive their progress report in the mail if not picked up at conferences.

REPORT CARDS: Report cards are issued every twelve weeks. Grades are given for scholastic achievement, along with teachers’ comments on effort and citizenship.

RETENTION POLICY: Students in grades 6, 7, and 8 will be retained when the following criteria have been met:

A. It has been determined that retention is in the best interest of the student.

B. Progress of the student has been monitored throughout the school year.
C. Additional supports have been added and provided and monitored during the school year.
D. Administrators and teachers have decided the student will benefit from repeating the grade.
E. Learning will be enhanced by repeating the grade.

SURVEYS AND SCREENERS: Students complete surveys regarding their perceptions of the school climate and environment, their interests, and their suggestions to include them in improving their school. In addition, students participate in universal screeners and local assessments to aid in student placement, assessing student need, and providing student supports and data from these assessments are handled in a secure manner. Currently, these assessments include the Student Risk Screening Scale (SRSS), Early Warning Systems (attendance, behaviors, course completion), and the i-Ready Diagnostic assessment in both reading and math. As we develop and improve our school systems, assessment instruments may be added, replaced, or removed.

In addition, every one to three years some students at SJMS take the Michigan Profile for Health Youth (MIPHY) survey in their physical education classes. MIPHY is a free, anonymous online survey that assesses our students’ health and risk-taking behaviors. Learn more at http://www.michigan.gov/mde. Parent permission is necessary for students to participate in the MIPHY survey. A separate letter will be sent home in advance of students completing it. If you have questions, please contact the school principal.

D. To encourage loyalty to school, community, and nation.

STUDENT COUNCIL: Students are nominated to run for Student Council through an application process. Members will be chosen from those nominated by an election of the student body. Membership will consist of six students from each grade. Student Council members sent to the Assistant Principal's office for misbehavior and subsequent discipline may be either temporarily suspended from participation or permanently dismissed from the council by the middle school Principal.

SCHOOL DANCES: Dances are generally held from 2:45 p.m. to 4:30 p.m. Students are accountable to all rules outlined in the Student/Parent Handbook. Dances are open to full-time enrolled SJMS students only. Once admitted, students may not leave the dance area before dismissal time unless they are met at the door by a parent and are released by a staff member. All students leaving the building prior to the dance will not be allowed re-admittance. Violation of this rule will result in loss of dance privileges indefinitely. Outside doors are locked at 2:50 p.m. Note: Middle school students are not permitted to attend High School dances including the Prom and Homecoming dances.

PHYSICAL EDUCATION

PARTICIPATION/EXCUSES: Participation is required for 6th and 7th grade students. 8th grade students are offered optional physical education courses.
A. Students may be excused due to illness or injury for one or two days with a parent note. If they need to be out of activity for longer than two days, a doctor’s release is required. Parents are encouraged to discuss special circumstances with the building principals. In these cases, the input of coaches and the district nurse may be considered.
B. Students are responsible for providing a T-shirt (no tank tops), shorts and tennis shoes for physical education. If they are unprepared for class, they will be required to borrow physical education clothes from the teacher’s supply.
C. Athletes are expected to participate in physical education class if they are going to participate in team practice or a game. If an athlete is not well enough to participate in daily gym class, they certainly should not participate in the intense team workouts or competitions.
CONCUSSIONS: Effective June 30, 2013, Public Acts 342 and 343 require all students to have a “Parent and Athlete Info Sheet” on file to participate in Physical Education class. The document provides educational information to parents and students and requires parent signature and student signature (for those at appropriate age).

If a student sustains any type of head injury or shows any of the signs or symptoms of a concussion, he/she will not be allowed to return to the activity until the school receives a signed “Medical Clearance to Return to Play” (available from the school) document from a health care provider.

STUDENT SERVICES

GUIDANCE COUNSELOR: Students who wish to initiate a counseling relationship with the school counselor may do so by following any one of the steps below:
A. Sign up in the Assistant Principal’s office using a purple slip.
B. Give the secretary a note to place in the counselor’s mailbox.
C. Tell the counselor you wish to see him/her.
D. Ask a teacher, parent, or administrator.

When a student enters into a counseling relationship with the school counselor, the information shared by the student during the counseling session will remain confidential and will not be shared with other school staff or parents. The main purpose of confidentiality is to offer students a relationship in which they will be able to deal with what concerns them without fear of disclosure. Furthermore, school counselors have a similar responsibility in protecting the privileged information received through confidential relationships with teachers and parents. The exceptions to this rule are listed below:
A. With student permission, the school counselor may share information with appropriate people.
B. According to the Child Protection Law, a school counselor is required to report suspected child abuse or neglect.

INFO CENTER: Info Center hours are posted on the Info Center door and on the Info Center web page. On morning half days and days preceding vacation and/or long weekends the Info Center closes 15 minutes after students are released. On afternoon half days the Info Center closes at the normal posted time. Students using the Info Center are responsible for watching the clock and reporting to class on time. Students should bring the supplies they will need. Eating and drinking are only allowed in the Info Center with staff approval.

During the School Day: Passes are required during class time unless accompanied by a teacher. Students must time stamp their pass at the circulation desk when they enter and when they leave. If a student needs to use the Info Center during their lunch period, the student must have a pass from a teacher and they must report to the lunch room before proceeding to the Info Center.

Before and After School: No passes are needed before school, between classes or after school. If a student needs to use the Info Center in the morning before students are allowed into the academic wing, it must be prearranged and the student must have a written note from a parent or a pass from a teacher. Students working in the Info Center after school must sign in and out at the circulation desk.

Checkout Procedure:
A. Student ID is required to check out or renew materials.
B. Replacement IDs must be purchased for $5.00 in the front office.
C. Students are responsible for returning materials on time. With few exceptions, items will be checked out for a two week period. A Due Date receipt will be issued when materials are checked out. If you lose your Due Date slip, ask at the circulation desk.
Info Center Computer Use: (See section of Handbook for policies on student-owned devices.)
A. Internet access is only allowed for class related work.
B. On the Internet, students may only access:
   a. Card catalog of Info Center materials
   b. Research databases subscribed to by St. Johns Public Schools
   c. Teacher assigned or approved sites
C. There is a charge for printing ($0.10 per page) unless a teacher has indicated that printing is necessary for an assignment.

BUS TRANSPORTATION

All students that require school district bus transportation to and from school will be provided with a handout from the transportation office the first day of each school year explaining rules, regulations, and safety procedures. Parents and students should read the information carefully and understand that improper behavior may result in the loss of the "Riding Privilege." Students suspended from school (home suspensions) forfeit the privilege to ride any school bus until the suspension period is served or lifted. Loss of bus transportation due to disciplinary consequence does not excuse a student from attending school. Students will receive an unexcused absence if not in attendance. Students will be regarded as truant and will be referred to the truant officer at Juvenile Court.

BASIC RULES FOR BUS RIDING SAFETY: Student misbehavior on the bus, or at a bus stop, may cause a driver to be distracted at a critical time. When this happens, the possibility of an accident increases. The following Conduct Rules for proper behavior while riding a school bus are provided in an effort to help impress upon the student importance of bus safety.
A. Students being transported are under the authority of the bus driver.
B. All students should be at their assigned bus stop at least five minutes prior to the assigned times.
C. Students are not allowed to bring the following items on the bus: animals, weapons, skateboards, rollerblades, and hazardous materials.
D. Students crossing the road to either get on or off the bus shall do so in front of the bus. The driver will indicate when it is safe for the students to cross.
E. Students are directed to never extend hands, arms or head out of the bus windows.
F. Students should never throw anything, either inside the bus or out the windows.

BEHAVIOR EXPECTATION ON THE BUS:
A. The bus driver is in charge at all times.
B. Students will be seated as directed by the driver and may be assigned a seat.
C. Students need to be seated quickly upon entering.
D. Students may be expected to sit three (3) in a seat, when needed.
E. Do not get out of your seat while the bus is moving. Only switch seats with driver permission.
F. Only bring items aboard the bus you can hold in your lap.
G. Keep the bus aisles and emergency exits clear at all times.
H. No foul or inappropriate language is allowed.
I. Yelling, loud voices, horseplay or window misuse is not permitted on the bus.
J. Eating or drinking on the bus is not permitted.
K. Help keep the bus clean. Put all trash in the trashcan upon exiting.
L. You must get on and off at the designated bus stop only.

BUS DISCIPLINE POLICY: The following bus discipline policy will be followed. Additional discipline may be assigned at the discretion of the Assistant Principal, depending on severity of incident.
   Step 1 - Verbal Warning
   Step 2 - Assigned Seat
Step 3 - First Conduct Report Issued
Step 4 - Second Conduct Report Issued, two-day bus suspension
Step 5 - Third Conduct Report Issued, five to ten day bus suspension
Step 6 - Indefinite suspension from bus pending meeting with the Superintendent

Note: Immediate suspension from busing may be issued for the following reasons:
A. Possession of a weapon on the bus, such as a gun or a knife.
B. Flammable material on the bus.
C. Illegal drugs or paraphernalia
D. Smoking materials
E. Fighting
F. Spitting on bus or on others
G. Act of taunting or threat by force, or verbalization against a student or employee

SJMS BUS PASS POLICY: Parents must notify the school office in writing with parent signature if their student is to ride a bus not assigned to them. If another student is having a student ride their bus, written parent notice is also required. Bus passes will be issued prior to first hour of the school day with written parent permission from both parties. Students will not be able to make calls home during the school day for permission to ride the bus home to their friend’s home.

BUS RESPONSIBILITIES FOR PARENTS: Please ensure that children are at the bus stop five minutes before the bus arrives. Be at designated take home address when school is dismissed. If your child misses the bus, do not chase a bus or flash your headlights. Bus drivers are not authorized to make an undesignated stop. Instead, take your child to school or go to a designated stop further down the route. Accept joint responsibility for proper conduct of children on the bus and at the bus stop. If your child has been suspended from the bus, the parent or guardian is responsible for providing transportation.

TECHNOLOGY

STUDENT DEVICES FROM HOME: Technology is a wonderful tool to use in our classrooms to access our school district’s curriculum. Teachers are finding creative ways to enhance education through the use of devices such as iPads, smart phones, and tablets.

Personal technology use is a privilege, not a right. Students are allowed to bring in devices to school, provided they adhere to the following guidelines:

1. Devices must be clearly labeled with the student’s first and last name.
2. If the device has 3G or 4G capability, it must be disabled at school. Disabling the 3G and 4G options ensures that students will be visiting appropriate sites only while at school.
3. With permission, students may text or call parents from their personal devices in the office. Students are not to make other personal phone calls or send texts during class or passing.
4. Assuming they earn the privilege at the start of the school year, student may be allowed to use their devices on the lunch hour to play games, read, or listen to music.
5. See more on Personal Electronic Devices under “Student Discipline” below.

Classroom teachers will set times and purposes for student devices. If any student is using a device at an inappropriate time or in an inappropriate way, the device will be confiscated until the end of the day and the student will be referred to the Assistant Principal’s office. A parent may be required to pick up the device at the discretion of the Assistant Principal. The proper authorities may be notified depending on any laws that may have been broken. Please refer to “STUDENT NETWORK AND INTERNET

St. Johns Public Schools accepts no liability if a student chooses to bring a device to school. The school district or any employee cannot accept any responsibility for damage, loss, or theft. Families should carefully consider the risks before choosing to send a device to school.

**CODE OF CONDUCT**

**THE T.E.A.M. PHILOSOPHY:** St. Johns Middle School employs a “Positive Behavior Interventions and Supports” system, or PBIS that includes “defining, teaching, and supporting appropriate student behaviors to create positive school environments” ([http://www.pbis.org/school](http://www.pbis.org/school)). **In short, working together, we can make SJMS an even better place to learn and work.** Team SJMS developed and adopted the T.E.A.M. acronym to remind us of four things Redwings do all day, every day:

- Take responsibility.
- Ensure safety.
- Act with kindness.
- Model positive behavior.

**BEHAVIOR MATRIX:** Students are taught appropriate behaviors for each setting of the school. These expectations are organized below in the Behavior Matrix. They are also on display throughout our school. Expect to see the TEAM Philosophy in action all over campus and anywhere SJMS Redwings are found.

According to the Michigan Statute, “at school” is defined as “in a classroom, elsewhere on school premises, on a school bus or other school-related vehicle, or at a school-sponsored activity or event whether or not it is held on school premises.” In addition, school discipline may apply to student conduct that interferes with the school environment, regardless of location.

**ATTENDANCE:** Students are expected to be in school and on time every day school is in session. Parents are to call the **Attendance Hotline at 227-4344 by 8:30 a.m.** each day of the absence. If a phone call has not been made to the Attendance Hotline, a note must be sent by the parent when the student returns the following day. If an absence is not cleared within 72 hours of the student’s return to school by a note or phone call the absence will be considered unexcused.

**Excused Absences:** Absences from school will be excused for the following reasons:
A. Personal illness
B. Death in the family
C. Dental and medical appointments (Please provide documentation.)
D. Other requests for excused absences will be handled individually by the Assistant Principal.

**Unexcused Absences:** Absences due to oversleeping and missing the school bus are considered *unexcused*. Accumulation of unexcused absences will result in the disciplinary consequences. Note: Loss of bus privileges does not excuse a student from attending school. Students will receive an unexcused absence if not in attendance.

**Prearranged Absences:** These are absences that students, parents, or guardians know about ahead of time, such as family vacation. Parents are urged to schedule absences during regularly scheduled breaks. When this is not possible, arrangements should be made in advance in the Main Office. Students should bring a note from home or have a parent call the attendance office (989-227-4306). Students will be given a pre-arranged absence form that must be taken to each teacher to make plans for classroom work to be made up. The form must be signed by each teacher involved and returned to the Main Office before the absence occurs. Then upon return to school, students may go directly to classes. No additional phone call or note from home will be necessary.

**Make-Up Work:** Students who are absent will be required to make up work missed in each class. This work should be made-up immediately. In case of prolonged absence, extra time may be granted at the teacher’s discretion. A day’s absence does not excuse students from their responsibilities for the day they return. It is the student’s responsibility to obtain all make up work from their teachers immediately upon return to school. Homework can be obtained by contacting teacher through email/website.

**TARDINESS TO SCHOOL:** Late students should report directly to the Main Office when they arrive and sign in **before** attending classes. Students arriving late for school will be marked tardy if they arrive within 10 minutes after the start of first hour (by 8:00 a.m.). Later arrival will be recorded as an absence and require an excuse. All tardies to school will be considered unexcused unless accompanied by an appointment slip. Special consideration will be made when weather conditions create unsafe driving conditions.

**TARDINESS BETWEEN CLASSES:** It is every student’s responsibility to be in class when the bell rings. Individual teachers will record between-class tardies. *Students who are detained by the Principal, Assistant Principal or the counselor will be given a pass. Teachers will not record these tardies. Teachers who hold students after class causing them to be tardy are responsible for providing them with an excused note to their next class.*

**TEN MINUTE RULE:** Any student that misses more than 10 minutes of a class will be considered absent (unless detained by and/or given a pass from a staff member.)
CONSEQUENCES: Infinite Campus auto-dialer will notify parents of all tardies. In addition, St. Johns Middle School adheres to the following consequence schema to encourage prompt arrival to class while providing progressive consequences for repeated tardiness in a single week. Every week a student's standing resets, allowing for a fresh start. In this way, we lessen the number of consequences while providing timely feedback on attendance patterns. Tardy counts are PER WEEK rather than PER CLASS:

- One tardy in week prior: Infinite Campus call home
- Two tardies in week prior: Lunch Detention & Infinite Campus call home
- Three tardies in week prior: Two Lunch Detentions & Infinite Campus call home
- Four tardies in week prior: Three Lunch Detentions & Infinite Campus call home

More than four tardies in week prior: Additional Lunch Detentions or other disciplinary consequences as assigned by the Assistant Principal.

SKIPPING CLASS OR SCHOOL: Any student whose absence is related to skipping will be referred immediately to the Assistant Principal. Students will be required to make up the time missed during Lunch Detention (total hours skipped) and will be suspended progressively in-school beginning on the second offense with loss of school privileges on the second suspension. Persistent skipping will result in notification to the Clinton County Truancy Officer for review.

COMPULSORY SCHOOL ATTENDANCE: Regular attendance at school is very important in assisting children in mastering basic skills and in facilitating academic progress. When students are absent from school, they miss essential classroom instruction. Although students can make up work missed when absent, they are not able to replace the interaction that occurs between the teacher and the student.

TRUANCY GUIDELINES (Revised October 8, 2013): St. Johns Middle School follows the Truancy Guidelines set forth for all CLINTON COUNTY PUBLIC SCHOOLS (Bath, DeWitt, Fowler, Ovid-Elsie, Pewamo-Westphalia & St. Johns Public Schools).

1. After 10 absences, a letter (#1) will be sent to the parents encouraging regular attendance.

2. After 15 absences, a letter (#2) will be sent to the parents explaining the truancy law and procedure. A copy of the letter will be sent to the Attendance Officer and the Attendance Officer will make contact with the parents of the truant student.

3. After 20 absences, a letter (#3) will be sent to the parents. A copy of the letter will be sent to the Attendance Officer, plus he/she will be notified by phone. The Attendance Officer will notify the Clinton County Prosecuting Attorney, and the Attendance Officer will make a second contact with the parents.

4. Upon 25 absences, the County Prosecuting Attorney will be requested by the Attendance Officer to issue a warrant.

- Each case will be evaluated individually. Consideration will be given to unusual circumstances, including:
  - Extended illness
  - Death in the family
  - Prearranged family vacations
  - Other unusual circumstances
- Absences will be accumulated from one school year to the next for purposes of these guidelines. These guidelines will include all absences during a consecutive twelve-month period.
- For purposes of these guidelines, absences will be counted from previous school districts for students new to the districts.
• Tardies do not count as additional absences.

5. A meeting with the school officials, parents, and Attendance Officer can be arranged at any point during this protocol.

PASSING TIME: To keep noise and confusion at a minimum, students are asked to be especially courteous, show respect for fellow students, and make the change as quickly and orderly as possible. The time allotted for changing classes is adequate if not wasted.

AFTER SCHOOL: Students are to exit the building by 2:55 unless under the direct supervision of a teacher, coach, or SJMS personnel. This includes all school areas such as the academic wings, gyms, locker rooms, music area and Auditorium. Students waiting for parent pickup should report to the main entrance foyer by the Principal’s Office. Students returning to the building after hours should be accompanied by a parent. Problem behaviors after school may result in loss of after school privileges or additional consequences.

LUNCH PERIOD: We have closed campus, which means that no students are not allowed to leave the Middle School grounds during the instructional day. Students must eat their lunches in the Auditorium. In special cases, a note from a parent to the principal may allow the student to check out from the Main Office during his/her lunch hour, but the student must return in time for his/her next class. Students are expected to:

A. Follow all school rules and behavior expectations.
B. Scan their student IDs or enter their PINs to purchase lunch or a la carte items. Student may not use another student’s PIN or ID card number for any reason to purchase lunch items.
C. Go to their locker and the restroom on the way to lunch.
D. Leave the Auditorium only with permission.
E. Keep aisles and doorways clear.
F. Take care of their own trays and any messes or spills on tables or the floor.
G. Wait in line appropriately and respectfully.
H. Bring beverages in break-proof containers, such as plastic or metal. No glass bottles are permitted in school.
I. Students are reminded that all food products (candy, chips, cookies, pop, juice, etc.) are to be consumed in designated eating areas only. These areas are the Auditorium and teacher supervised classrooms. Abuse of this privilege can result in immediate confiscation and disposal of those food products. Also, student sale of candy, food, or drink products at anytime while school is in session is prohibited.

LUNCHROOM BEHAVIORS: Students unable or unwilling to conduct themselves properly in the Auditorium during lunch hour, and having been warned and/or disciplined by the lunchroom supervisor with unsatisfactory progress, will be referred to the Assistant Principal. At the discretion of the Assistant Principal, a student may be assigned an alternate location to eat lunch for repeated misbehavior.

STUDENT DRESS AND APPEARANCE: Students are expected to wear their clothing and manage their appearance in a manner that does not disrupt teaching and learning. Dress shall not be extreme, exhibitionistic, or immodest in style, and shall be worn in good taste. Student dress styles and appearance should not affect the orderliness of the school environment, endanger the health and safety of other students, promote vulgarity, or advertise products or make statements that are contrary to the commonly recognized and established standards of the school and/or community.

Items depicting drugs, tobacco, alcohol, weapons, profanity, offensive words, innuendo or pictures depicting the same, any style of clothing that is gang related, shirts with sleeves rolled up, jerseys without a T-shirt underneath, sagging pants, short shorts, short tops exposing the midriff, clothes when walking
exposing underwear, tank tops (unless worn with T-shirt underneath), heavy or large link wallet chains, and
bandanas are examples of inappropriate dress and will not be allowed. Students must wear shoes at all
times. Hats/hoodies and sunglasses may not be worn during regular school hours.

Cleanliness of body and clothing are students' responsibilities, as they prepare for school each morning. Good grooming and appropriate choices of apparel contribute to a more successful school experience. Responsible decisions will ensure better health and proper personal hygiene.

Specialized learning areas, such as science laboratories, industrial arts shops and physical education class have specific rules of dress in compliance with state regulations supporting safety and health precautions. Students are expected to comply with all health and safety rules.

CARE OF BOOKS AND SCHOOL PROPERTY: Textbooks are issued at the beginning of the year by the teachers. Students and their parents are responsible for damage to textbooks, library books, and school property. Students will be charged for excessive damage at the end of the school year.

LOCKERS: Students must use the locker assigned to them. We do not have shared lockers. Students moving to another locker without permission from the Principal are subject to progressive disciplinary consequence.

Students must keep their lockers neat, clean and operational. Report problems to the either office immediately. Jamming of locker doors is generally a result of improperly maintained lockers. Any purposeful mistreatment or damage to lockers or locks will result in fines and school suspensions. Students placing an object (i.e. pencil or pen) in the lock mechanism on the inside of the door are subject to disciplinary consequences.

Do not share your locker combination with anyone. Keeping your combination secret is your only guarantee of a secure locker. Do not preset for easy opening; spin dial one complete turn after each closing. Locker combinations and locker assignments will not be changed during the school year. Students will be suspended for tampering with other students' locks or opening unassigned lockers. Displaying inappropriate pictures, posters and/or photographs on the inside area of your locker will result in disciplinary consequence and possible suspension. No food or drink is to be stored in lockers overnight.

GUEST TEACHER POLICY: Students are reminded that their cooperation with a guest teacher is essential in order for classroom instruction to continue effectively in the absence of the regular classroom teacher. A maximum of three warnings by the Guest Teacher will yield a visit to the Assistant Principal’s office. Extreme acts of misbehavior or disrespect will result in an immediate visit to the Assistant Principal’s office. Consequences may range from suspension for the hour to multi-day suspension and/or parent conference.

BICYCLES/SKATEBOARDS/HEELIES: Students riding their bicycles to school must park their vehicles in the bike rack located in the north parking lot outside the band hallway entrance. Students may not ride their bikes through the middle school parking lots. Students must walk their bikes on the sidewalk when arriving or departing to/from the middle school. It is the responsibility of the student to secure his/her bike to the rack using a chain lock system to minimize theft. Skateboards and heelies are not to be brought to school.

FOOD AND DRINK: To lessen our ecological footprint and to keep students in the learning environment, students are encouraged to bring a reusable water bottle to school. Food and drink purchased before school and at lunch in the Auditeria must be consumed in the Auditeria. Students are not allowed to eat or drink in the hallways.
GUM: Gum chewing is a privilege. It should neither be seen nor heard. It is at the discretion of the teacher whether to allow chewing gum in the classroom. Gum should be discarded appropriately.

YEARBOOKS: The SJMS yearbook is a special and enduring chronicle of your child's middle school years. It is a historical document of memories to share with family and friends for generations. It is the student's inherent responsibility to be respectful and positive when signing another’s yearbook. Students maliciously defacing others’ yearbooks with profane and obscene notations will be disciplined (up to suspension) and may be required to financially compensate for its value or replacement. Students are encouraged to be selective when requesting signatures from others and to make good choices when signing.

STUDENT DISCIPLINE

Students must develop self-discipline to further their learning experiences. We ask that parents discuss with their children the importance of and need for good behavior and a good attitude while at school. This responsibility extends to participation and/or attendance at school sponsored events; going to and from school; and inappropriate actions and behaviors performed on school district property, or whose conduct at any time or place directly interferes with the operations, discipline, or general welfare of the school.

MAJOR AND MINOR REFERRALS: As part of their formal education, we believe that students can learn appropriate behaviors. However, in order to improve student behaviors, the school must employ a consistent system that involves both the parents and the office, while at the same time empowering teachers and students.

If the teacher deems the behavior MINOR:
- 1st Offense: Warning to student
- 2nd Offense: Phone call home and documentation in student’s behavioral record (FYI Referral).
- 3rd Offense: Referral to the office.

If the teacher deems the behavior MAJOR:
- 1st Offense: Referral to the office. Consequences, including progressive discipline for repeated behaviors, may include (but are not limited to) one or more of the following administrative actions:
  A. Telephone call to parent to discuss issue of misconduct and/or concern.
  B. A conference with the student and any of the following: parent, teacher, administrator, counselor.
  C. Lunch Detention
  D. After-School Assignments
  E. In-School Restriction (ISR)
  E. Out-of-Suspension (OSS) – generally one to ten days
  F. Expulsion –removal from St. Johns Public Schools up to 180 school days or more, pending Board of Education evaluation and directive.

CLASSROOM DISCIPLINE and management are at the discretion of the teacher and generally include telephone calls to parents, progress reports mailed to parents, parent/teacher/student conferences, detentions and special assignments as deemed appropriate with the support of parent. However, inappropriate behavior reported via referral to the Assistant Principal will be subject to the aforementioned administrative guidelines and actions.

SUSPENSION: Assuming the responsibility granted by law, the St. Johns School District Board of Education has established categories of misconduct that generally result in the immediate suspension from school, including but not limited to those listed below. Engagement in these actions may result in
suspension or expulsion from St. Johns Public Schools. Suspensions range from one day to ten days depending on the degree and/or the frequency of misconduct, generally one to three days for the first offense, three to five days for the second offense, and five to ten days for the third. A ten-day suspension may be imposed on the first offense if the misconduct by the student is of a severe nature and warrants maximum disciplinary consequence.

**EMERGENCY REMOVAL, SUSPENSION & EXPULSION:**
Consistent with Board Policy (5610), a student may be removed from the classroom, suspended or recommended for expulsion for persistent disobedience or gross misconduct. If suspension (or expulsion) for persistent disobedience or gross misconduct beyond 10 school days is considered, the Superintendent (or his/her designee) shall consider the following factors:

A. the student's age  
B. the student's disciplinary history  
C. whether the student has a disability  
D. the seriousness of the violation or behavior  
E. whether the violation or behavior committed by the student threatened the safety of any student or staff member  
F. whether restorative practices will be used to address the violation or behavior  
G. whether a lesser intervention would properly address the violation or behavior

The Superintendent (or his/her designee) will exercise discretion over whether or not to suspend (or recommend for expulsion) a student for persistent disobedience or gross misconduct. In exercising that discretion for a suspension of more than ten (10) days or expulsion, there is a rebuttable presumption that a suspension or expulsion is not justified unless the Superintendent (or his/her designee) can demonstrate that it considered each of the factors listed above. For a suspension of ten (10) days or fewer, there is no rebuttable presumption, but the above factors will be considered.

**RESTORATIVE JUSTICE:**
If the Superintendent (or his/her designee) determines that it will utilize restorative practices in addition to or as an alternative to suspension or expulsion of a student, it will engage in restorative practices which emphasize repairing the harm to the victim and school community caused by the student’s misconduct.

Restorative practices may include victim-offender conferences that:

A. are initiated by the victim;  
B. are approved by the victim's parent or legal guardian or, if the victim is at least fifteen (15), by the victim;  
C. are attended voluntarily by the victim, a victim advocate, the offender, members of the school community, and supporters of the victim and the offender (the "restorative practices team");  
D. would provide an opportunity for the offender to accept responsibility for the harm caused to those affected, and to participate in setting consequences to repair the harm, such as requiring the student to apologize; participate in community service, restoration of emotional or material losses, or counseling; pay restitution; or any combination of these.

The selected consequences and time limits for their completion will be incorporated into an agreement to be signed by all participants.

**TYPES OF INFRACTIONS:**
- **Arson:** purposely setting a fire that endangers school property and its occupants will not be tolerated. Arson is a felony and will subject the student to suspension and/or expulsion.

- **Beepers:** The July 1988 State Law bans students from carrying pocket pagers in all public schools. Pagers will be confiscated and the Police Department notified of the violation.
Wireless Communication Devices: With limitations as outlined in AG 5136, students may use personal electronic devices (PEDs). A "personal electronic device" is a device that emits an audible signal, vibrates, displays a message, or otherwise summons or delivers a communication to the possessor. The following devices are examples of PEDs: cellular and wireless telephones (including camera phones), personal digital assistants (PDAs), BlackBerrys/Smartphones (iPhone, Android devices, Windows Mobile devices, etc.), Wi-Fi-enabled or broadband access devices, two-way radios or video broadcasting devices, computers, laptops, tablets (e.g., iPads and similar devices), electronic readers ("e-readers; e.g., Kindles and similar devices), and other devices that allow a person to record and/or transmit, on either a real time or delayed basis, sound, video or still images, text, or other information.

When use of PEDs is prohibited the devices must be powered completely off (not just placed in vibrate or silent mode) and kept out of reach.

In addition, students are not permitted to use PEDs including devices equipped with a camera to record/store/send/transmit the spoken word or visual image of any person, including other students or staff members, without the express consent of the staff person or under the supervision of a teacher or administrator.

Students are not permitted to use PEDs to record/store/send/transmit the spoken word or visual image of any copyrighted materials while on school property or at a school-sponsored event. Students are not permitted to use PEDs to record/store/send/transmit educational instrument/document (e.g. test, quiz, etc.) any time while on school property or at a school-sponsored event.

Finally, students may not use PEDs on school property or at a school-sponsored activity to access and/or view Internet websites that are otherwise blocked to students at school.

With prior approval of the building principal, the above prohibitions may be relaxed under the following circumstances:

A. The student is using the PED for an educational or instructional purpose (e.g., taking notes, recording a class lecture, writing papers) with the teacher's permission and supervision. However, the use of any communication functionality of the PED is expressly prohibited. This includes, but is not limited to, the PED’s wireless Internet access, peer-to-peer (ad-hoc) networking, or any other method of communication with other devices or networks. The preceding prohibitions do not apply to District-owned and issued laptops, PDAs or authorized assistive technology devices.

B. The student is involved in an extra-curricular activity after school hours and needs to communicate with his/her parent/guardian when the activity is ending so the student can be picked up.

No expectation of confidentiality will exist in the use of PEDs on school premises/property.

"Sexting" is prohibited at any time on school property or at school functions. Sexting is the electronic transmission of sexual messages or pictures, usually through cell phone text messaging. Such conduct not only is potentially dangerous for the involved students, but can lead to unwanted exposure of the messages and images to others, and could result in criminal violations related to the transmission or possession of child pornography. Such conduct will be subject to discipline and possible confiscation of the PED.
Students are prohibited from using a PED in any way that might reasonably create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed or intimidated. See Policy 5517.01 – Bullying and Other Aggressive Behavior Toward Students.

Possession of a PED by a student is a privilege that may be forfeited by any student who fails to abide by the terms of this policy, or otherwise engages in misuse of this privilege.

Violation of this policy can result in discipline ranging from a warning up to and including suspension or expulsion, and notification of law enforcement authorities. The particular discipline imposed will depend on the number of prior violations and the nature of the violation at issue. In addition, if a student violates this policy, his/her WCD may be confiscated. Under such circumstances, the PED will be released/returned to the student's parent/guardian after the student complies with any other disciplinary consequence that is imposed. In particular egregious offenses involving the invasion of another person's privacy, the Board reserves the right to confiscate the PED and hold it until the end of the school year. Confiscated devices will be marked in a removable manner with the student's name and held in a secure location in the building's central office until they are retrieved by the parent/guardian. While in District custody, students' PEDs will not be searched or otherwise tampered with unless exceptional circumstances are present (i.e. school officials reasonably suspect a student has violated the law or other school rules). Any search will be conducted in accordance with Board Policy 5771 – Search and Seizure. If multiple offenses occur, a student may lose his/her privilege to bring a PED to school for a designated length of time or on a permanent basis.

A person who discovers a student in possession of or using a PED in violation of this policy is required to report the violation to the building principal.

Students are personally and solely responsible for the technical support, care, and security of their PEDs.

The Board assumes no responsibility for theft, loss, damage, or vandalism to PEDs brought onto its property, or unauthorized use of such devices.

Parents/Guardians are advised that the best way to get in touch with their child during the school day is by calling the school office. Students may use school phones to contact parents/guardians during the school day.

Revised 11/25/13

Violations of this policy will result in confiscation of the cellular telephone or WCD and additional consequences may be assigned on the first offense. The second offense will result in progressive consequences and confiscation of the cell or WCD device that will be returned to parents. The student who possesses a cellular phone or WCD shall assume responsibility for its care. At no time shall the district be responsible for preventing theft, loss or damage to cell phones or WCDs brought onto its property.

- **Cheating:** Students caught cheating will meet with the Assistant Principal. On the first reported incident parents will be informed by letter or phone. Students will receive an “F” for the assignment and a detention may be assigned. On the second and all other reported incidents a suspension of one to three days will be imposed. This applies to a student who gives information and/or assignments as well as those who receive.

- **Classroom Disruptions:** Behavior that disrupts the education process and disregards the suggestions and corrective efforts of the teacher.

- **Disobedience/Insubordination** – School staff is acting “in loco parentis,” which means they are allowed, by law, to direct a student as would a parent. This applies to all staff, not just teachers assigned to a student.
If given a reasonable direction by a staff member, the student is expected to comply. Chronic disobedience can result in expulsion.

- **Disrespectful Actions**, whether verbal, written or gestured at any school personnel, including teachers, administrators, secretaries, aides and maintenance employees.

- **Explosives**: Explosives, fireworks and chemical-reaction objects such as smoke bombs, pipe bombs, bottle bombs, small firecrackers and poppers are forbidden and dangerous. Violations of this rule may result in suspension or expulsion.

- **Extortion**: Extortion is the use of threat, intimidation, force or deception to take or receive something from someone else. Extortion is against the law. Violations of this rule may result in suspension or expulsion.

- **False Alarms, False Reports and Bomb Threats**: A false emergency alarm, report or bomb threat endangers the safety forces that are responding, the citizens of the community, and persons in the building. What may seem like a prank is a dangerous stunt. Violations of this rule may result in suspension or expulsion.

- **Fighting**: Engaging in a physical confrontation with another student (for any reason) during school hours, while going to and from school, and at any school-sponsored event will result in immediate suspension and possible expulsion.

- **Forgery and Deception**: Falsely using in writing the name of another person (such as falsifying correspondence purported to be from parents regarding attendance verification, permission slips, bus transfers and notes of parental authorization including athletic department responsibilities such as the handbook contract and emergency care forms) or making fake telephone calls to deceive school administration regarding any school issue.

- **Harassment/Taunting/Bullying**: The school believes that every individual deserves to be able to come to school without fear of demeaning remarks or actions. The physical/verbal harassment of other students or members of the staff or any other individuals is not permitted. This includes any speech or action that creates a hostile, intimidating or offensive learning environment. Students guilty of this offense may be suspended and/or expelled on the first offense. This includes spreading false, indecent and malicious rumors, racial slurs, etc. If the investigation finds harassment occurred, it will result in prompt and appropriate remedial action. This may include up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers and contractors and removal from any officer position and/or a request to resign for Board members.

The following guidelines will be observed:

A. Any student reported to verbally or physically harass another student will be reported immediately to the Asst. Principal’s office.
B. The Asst. Principal will investigate. If harassment can be proven, the student will receive an immediate disciplinary consequence, up to and including suspension. Parents will be notified immediately.
C. Even though unproven, all subsequent reported offenses per student will result in a letter informing the parents of our concerns that their child has been reported taunting, teasing or harassing other students on two or more occasions.
D. It is known that students policing themselves with regard to harassment is the most effective way to eliminate the problem. Therefore, we are asking you to no longer be a bystander, but rather a part of the solution. If you can’t help a friend or classmate in need, who will?

- **Sexual Harassment**: Conduct constituting sexual harassment may take different forms, including but not
limited to the following:

A. **Verbal:** The making of written or oral sexual innuendoes, suggestive comments, jokes of a sexual nature, sexual propositions, or threats to a fellow student, staff member, or other persons associated with the District.

B. **Nonverbal:** Causing the placement of sexually suggestive objects, pictures, or graphic commentaries in the school environment or the making of sexually suggestive or insulting gesture, sounds, leering, rumors, whistling, and the like to a fellow student, staff member or other person associated with the District.

C. **Physical Contact:** Threatening or causing unwanted touching, contact or attempts at same, including patting, pinching, pushing the body, or coerced sexual intercourse with a fellow student, staff member or other person associated with the District.

- **Inappropriate Physical Contact:** Physical contact, whether it be on purpose or as a result of “horseplay” that results in students making physical contact with another student.

- **Indecency:** Engaging in conduct that is contrary to commonly recognized and established standards of proper behavior. This includes students entering opposite sex restrooms or locker rooms and/or the inappropriate touching of another student.

- **Intimidation:** Threat by force or verbalization against fellow students or school personnel.

- **Laser Pointers:** Due to potential of an eye injury, students found in possession of laser pointers will have pointers confiscated and not returned and if caught flashing pointer at another student may be suspended.

- **Littering:** Willfully littering on school property or on private property while going to or coming from school.

- **Lying:** Intentionally giving false or misleading information.

- **Matches and Lighters:** Students found in possession of matches or lighters will be receive a one day suspension on the first offense and suspended progressively on all subsequent violations.

- **Obscenity:** Using vulgar language/profanity in verbal or written form (notes to other students) or in pictures, caricatures or gestures (including sexual innuendo) that are offensive to the general standards of the school or community including possession and/or distribution of obscene or pornographic material.

- **Offensive & Nauseous Odors:** Due to the increased health risk associated with asthma and allergic reactions to excessive odors, including but not limited to: perfumes, colognes, aftershave and hairspray will not be allowed for use in the hallways and/or classrooms. Furthermore, students are reminded that proper hygiene should be used to avoid offensive odors.

- **Overly Affectionate Behavior:** Students found kissing, holding hands, hugging or showing overly affectionate behavior will be warned that school is not the time and place for such actions. On the 1st offense, parents will be notified and a warning will be issued to students. On the 2nd offense, students will be given a detention assignment. Any further subsequent offenses may result in suspension of students.

- **Physical Assault:** Physically attacking any student or school staff member on school property or while going to or from school, or at any school-sponsored activities. Students guilty of this offense may be suspended or expelled for 180 school days or more.
• **Projectiles:** Students will be held responsible for using an item i.e. (including but not limited to the following) pen, pencil, eraser, rubber bands, spit wads, snowballs, coins and rocks outside as a projectile, which could subsequently harm another person causing injury.

• **Search and Seizure:** The school retains ultimate control over student lockers and desks, and reserves the right to inspect lockers and desks at any time without notice and without student consent. School administrators may institute a student search if there are reasonable grounds to believe that a search will reveal evidence that the student has violated or is violating either the law or the rules of the school.

• **Smoking or Chewing Tobacco:** Use and/or possession of tobacco products are prohibited at all times in buildings, on school grounds, school buses, and at school activities. This also includes electronic cigarettes or any variation thereof. Students violating this policy are subject to the following School Board regulations.

  1. The first offense will carry an immediate 6-day suspension from school, or 42 hours of school service, or a combination of both.
  2. The second offense will carry an indefinite suspension and a letter may be sent to the parents requesting a conference with all parties.
  3. If there is a third offense, the student will receive an indefinite suspension, with the possibility of School Board involvement.

• **Substance Abuse:** Possession, under the influence, use of or transfer of any stimulating, depressing or behavior-altering drug, including marijuana (or evidence of marijuana residue), controlled prescription drugs, and alcohol, is strictly prohibited on school property or at any school-sponsored function whether at or away from school. Possession of drug paraphernalia is also prohibited and subject to suspension. Sellers will be dealt with severely and will receive the maximum ten (10) days of suspension. Malt beverages labeled as "non-alcoholic" (including but not limited to Sharp's, O'Doul's, Kingsbury Malt Beverage, and Zing Malt Beverage) may contain alcohol. The possession or consumption of malt beverages (regardless of their alcoholic content) on school grounds or while a student is associated with any school activity is inappropriate conduct and will subject the student to disciplinary measures under the student code of conduct. Possession or distribution of "look alike" drugs will result in immediate suspension and will be subject to the same disciplinary action and consequence as if it were the real drug.

**SUBSTANCE ABUSE POLICY**

A. First Offense (Possession, Use and/or Under the Influence)

  1. Ten (10) day suspension. The suspension may be modified, under extenuating circumstances, at the discretion of the supervising administrator, with voluntary participation in a drug assessment approved by the school administrator. A minimum five (5) day suspension from school is mandatory. Board policy on suspension and expulsion shall be followed, including the right to appeal.

  2. The school may recommend the following for parent consideration:

     a. Drug assessment evaluation
     b. Enrollment in drug education classes
     c. Out-Patient therapy/counseling
     d. Residential treatment at a certified rehabilitation center

  3. The appropriate law enforcement agencies may be informed of the incident at the discretion of the administrator in charge.

A. Second Offense (Possession, Use and/or Under the Influence) or First Offense for Transfer and/or Sale of Drugs

  1. Recommendation for expulsion from St. Johns Public Schools for two (2) concurrent trimesters from the date of infraction, according to Board policy on suspension and expulsion.
  2. A student may be reinstated upon the recommendation of the Superintendent of Schools and documentation of rehabilitation.
  3. The school may recommend the following for parent consideration:
a. Drug assessment evaluation  
 b. Enrollment in drug education classes  
 c. Out-Patient therapy/counseling  
 d. Residential treatment at a certified rehabilitation center  

4. The appropriate law enforcement agencies may be informed of the incident at the discretion of the administrator in charge.

Subsequent Violations will result in a recommendation of permanent expulsion, according to the Board’s Policy on suspension and expulsion, and immediate notification of the appropriate law enforcement agency. 

NOTE: Suspension will be served immediately and may be concurrent with inpatient treatment or counseling.

- **Skipping School** and/or classes including leaving the school building.

- **Spitting**: Purposeful ejection (or attempted ejection) of mouth saliva on other student or school property will result in a Saturday detention on the first offense and suspension on subsequent offenses.

- **Theft**: When a student is caught stealing school or someone’s property, she/he will be disciplined and may be reported to the law enforcement officials. Students are encouraged not to bring anything of value to school that is not needed for learning without prior authorization of the Principal. The school is not responsible for personal property. Theft may result in suspension or expulsion.

- **Trespassing**: Although schools are public facilities, the law does allow the school to restrict access on school property without authorization of the Principal. In addition, students may not trespass onto school property at unauthorized times or into areas of the school where the student may not be. Violation of this rule may result in suspension or expulsion.

- **Truancy/Tardiness**: Attendance laws require students to be in school all day or have a legitimate excuse. It is also important to establish consistent attendance habits in order to succeed in school and in the work-of-work. Excessive absence may lead to suspension from school (See Clinton County Truancy Policy page 15).

- **Unauthorized Presence/Trespassing/Loitering**: Being in or around any area of the building including other grade level areas without a pass, when the student has no legitimate reason to be there; the act of congregating or lingering in a school building or on school property without permission of a staff member.

- **Unauthorized Use of School or Private Property**: Students are expected to obtain permission to use any school property or any private property located on school premises. Any unauthorized use shall be subject to disciplinary action. Violations of this rule may result in suspension or expulsion.

- **Verbally Threatening a Staff Member/Student/Person Associated with the District**: Any statement or noncontact action that a staff member, student or other person associated with the District feels to be a threat will be considered a verbal assault. Verbal threats or assault will result in suspension and expulsion.
WEAPONS

The St. Johns Board of Education has approved a Weapon/Firearms and Expulsion Policy. This policy is required by both State and Federal law. The St. Johns Public School’s policy regarding the possession of a dangerous weapon or firearm states the student possessing dangerous weapons or firearms in district buildings or at school district events shall be expelled from school and referred to the criminal justice system. Expulsion is mandatory unless a pupil can prove in a convincing manner he/she:

A. Did not know the object was a weapon.
B. Did not intend to use it as a weapon.
C. Did not knowingly possess the weapon.
D. Possessed the weapon with the request or with the express permission of the district administrator or police.

SALE/POSSESSION OR USE: Selling, carrying, using, handling, storing or threatening with weapons or other dangerous objects in a school building or on school grounds. Weapons are identified in (3) categories:

1. (1) dangerous weapons that require expulsion: (firearm, dirk, dagger, stiletto, knife with a blade in excess of three (3) inches, knife opened by mechanical device, iron bar, brass knuckles); (2) other weapons commonly used or designated to inflict bodily harm or to intimidate including but not limited to: air guns, blackjacks, billy clubs, bludgeons, gas-ejecting devices, knife with a blade three(3) inches or less in length, stun grenades, chains, clubs, and martial arts weapons: (3) articles designated for other purposes that are used to inflict bodily harm or to intimidate, including but not limited to: belts, box-cutters, combs, pencils, files, razors and compasses. A weapon includes conventional objects like guns, pellet guns, knives, or club type implements. It may also include any toy that is presented as a real weapon or reacted to as a real weapon. Criminal charges may be filed for this violation. Possession of a weapon may subject a student to expulsion and possible permanent exclusion. It will make no difference whether or not the weapon belongs to someone else, unless the student can provide convincing evidence that the weapon was placed in the student’s possession without his/her knowledge. If it can be confirmed that a weapon was brought on District property by a student other than the one who possessed the weapon, that student shall also be subject to the same disciplinary action.

State law may require that a student be expelled from school for a period of one (1) year if he/she brings onto or has in his/her possession on school property or at a school-related activity any of the following:

A. Any explosive, incendiary, or poison gas including bombs, grenades, rockets, missiles, mines, or device that can be converted into such a destructive item.
B. Any cutting instrument consisting of a sharp blade over three (3) inches long fastened to a handle.
C. Any similar object that is intended to invoke bodily harm or fear of bodily harm.

USE OF AN OBJECT AS A WEAPON: Any object that is used to threaten, harm, or harass another student may be considered a weapon. This includes but is not limited to padlocks, pens, pencils, laser pointers, jewelry, pocket knife opened by a mechanical devise, iron bar, or brass (metallic) knuckles and etc. Heavy or large link wallet chains are potentially dangerous to the health and welfare of other students and staff if used as a weapon during a physical assault (Okemos Chippewa Middle School, 1996). Accordingly, wallet chains may not be worn during regular school hours or at extra-curricular events. Furthermore, chains confiscated from students will not be returned. Intentional injury to another can be a felony and/or a cause for civil action. This violation may subject a student to expulsion.

KNOWLEDGE OF DANGEROUS WEAPONS OR THREATS OF VIOLENCE: Because the Board believes that students, staff members, and visitors are entitled to function in a safe school environment, students are required to report knowledge of dangerous weapons or threats of violence to the Principal. Failure to report such knowledge may subject the student to discipline.
Note: Students are reminded that all pocket knives (regardless to length of blade) are prohibited at school and will be confiscated.

DETENTIONS

Detention may be used for improper behavior, class disturbance, attendance violations, or other violations of school policy. Teachers or administrators may issue detentions for after school or during the noon hour. In addition, Saturday detentions may be issued by the Principal or Assistant Principal.

Before-School Detention: Students misbehaving at school prior to first hour, whether it be in the hallways or elsewhere on school grounds, may lose their before school privileges and be assigned detention in the Assistant Principal's office or the Auditeria until the first bell rings at 7:45 a.m. Students assigned before school detention will report directly to the assigned area (office or Auditeria) as soon as they arrive and may be required to sign in each morning of the detention period.

Lunch Detention: Students assigned a lunch detention are to get their lunch and report directly to the In-School Restriction room. Misbehavior during a lunch detention may result in further consequences.

After-School Detention: Teachers assigning After-School Detention will do so as a last resort and only after a verbal warning to the student, a telephone call to the parents of the student, progress reports and other disciplinary efforts have failed to alter classroom misbehavior. ASDs will generally take place the day after the detention is issued so that parents are aware of the problem and the student can make arrangements for transportation home, if needed. Students assigned ASD by a teacher will be issued a gold detention slip that must be signed by a parent and returned within two days. Students who do not return the detention slip with their parent's signature are subject to progressive disciplinary action. It is recommended that the detention time be used for study or for work around the school. The teacher or administrator assigning the student to detention will be responsible for the student during the detention period. Also, students who do not complete written disciplinary assignments requested by a teacher and/or administrator for misconduct will be sent to the Assistant Principal's office for immediate completion. All hours spent in the office while completing disciplinary assignments will be recorded as suspension time.

Saturday Detention: In the rare case that a student is assigned a Saturday detention, the parents and the student shall receive written instructions and expectations from the Assistant Principal in advance.

LOSS OF PRIVILEGES

St. Johns Middle School believes behaviors, like academics, can be taught and reinforced and that all students can learn and grow. In order to encourage behavioral growth and provide incentive for positive behavior choices, students who accumulate suspensions (in school and out of school) will lose privileges and subsequently forfeit the right to attend and/or participate in field trips (at the discretion of the Principal and Asst. Principal), dances, assemblies, and extracurricular activities (both intramural and interscholastic) under the following guidelines:

1st suspension = loss of privileges during suspension period
2nd suspension = loss of privileges for remainder of trimester

28
Parents and Students are here by advised of the recent school safety legislation, (listed and defined below), that may result in the “expulsion” from school up to 180 days or more. Please review the Michigan School Code Laws (adopted summer 2000) with your son and/or daughter and appreciate the seriousness of these offenses in order to avoid future loss of school privilege. Parents seeking further clarification may contact the building Principals at (989) 227-4300.

**Physical Assault – Student to Adult**

Section 1311A (1) 2000 of the amended school code, addresses “Physical Assaults” upon school employees, volunteers or contractors. Similar to the mandatory expulsion for dangerous weapons, criminal sexual conduct and arson, any student in grade six or above who physically assaults a school employee, volunteer or contractor may be suspended or expelled up to 180 school days or more, subject to possible reinstatement review after 180 school days. This statute defines “physical assault” as intentionally causing or attempting to cause physical harm to another through force or violence. The law also requires school officials to report all assaults to appropriate state and local law enforcement agencies.

**Physical Assault – Student to Student**

Section 1310 (1) 2000
If a student in grade six or above commits a physical assault against another student that occurs on school property, at any school sponsored activity, or on any school related vehicle and the assault is reported to the Board of Education, the board may suspend or expel the student for up to 180 school days or more, subject to possible reinstatement review after 180 school days. The law requires school officials to report all assaults to the appropriate state and local law enforcement agencies.

**Verbal Assault**

Section 1311A (2) 2000
This act provides for suspension or expulsion up to 180 school days or more for any student in grade six or above who commits a “verbal assault” against a school employee, volunteer, or contractor. A “verbal assault” is defined as any intentional threat or offer to do bodily injury to another by force, under circumstances which create a well founded fear of actual harm, coupled with the apparent ability to carry out the act if not prevented. “Verbal assault” can also include any statement or act, oral and written, which can reasonably be expected to induce in another person(s) and apprehension of danger of bodily injury or harm. Although the board may expel the student for verbal assault, the expulsion length is discretionary up to 180 school days.

ATHLETICS

PHILOSOPHY: The St. Johns Middle School athletic philosophy is to help young people develop mentally, physically, emotionally and intellectually to their fullest potential. Programs are designed to encourage meaningful participation and provide experiences in a variety of activities. While winning is an important part of any athletic event, winning at any cost is not part of the SJMS athletic philosophy. Academics, participation and sportsmanship take precedence over winning.

OBJECTIVES OF THE ATHLETIC PROGRAM: The SJMS athletic program is dedicated to:
A. Providing athletes with quality teaching/coaching personnel who will give the athletes a sound basis to build and develop essential skills.
B. Providing athletes the opportunity to learn and develop the skills necessary to improve in their sport.
C. Providing athletes with facilities that will enhance their skills.
D. Providing opportunity for athletes to participate equally with their teammates.
E. Building a positive image of school activities of which community, parents and students can be supportive and proud.

TRYOUTS/CUTS: There are open tryouts. Anyone interested in participating in an interscholastic sport is encouraged to try out. Because of limited facilities and a limited budget, there may at times, be a need to make cuts. Each athlete will be given a skills test. The results of this test will weigh heavily in deciding who will be on the team to represent the school and community.

Athletes cut from any team will be spoken to individually by the head coach. They will be given a copy of the skills test, and encouraged to improve the skills in which they are weak. Students will be encouraged to try out for the team again the following year.

ATHLETIC PHYSICAL: A physical examination is required to participate in any team tryout or practice. The physical exam certification must be on file in the athletic office. A current year physical is one given on or after April 15 of the previous school year. (MHSAA guideline). If student athlete misses the first day of try outs due to no physical, they will not be eligible to try out.

ELIGIBILITY REQUIREMENTS

1. AGE: Section 2 -- Regulation 3 MHSAA:
(A)--A seventh grade student who competes in any interscholastic athletic contest limited to seventh graders must be under fourteen (14) years of age, except that a student whose (14th) birthday occurs on or after September 1 of a current school year is eligible for the balance of that school year. Any seventh grade student born before September 1, 1999, is ineligible for interscholastic athletics in Michigan except that he or she may play on the 8th grade squad of that junior high school or on a team of combined seventh and eighth grade students.

(B)—An eighth grade student who competes in any interscholastic athletic contest limited to eighth graders must be under fifteen (15) years of age, except that a student whose (15th) birthday occurs on or after September 1 of a current school year is eligible for the balance of that school year. Any eighth grade student born before September 1, 1998, is ineligible for interscholastic athletics in Michigan except that he or she may play on the ninth grade squad of that junior high school, provided all other regulations pertaining to eligibility are met.
2. ACADEMIC/BEHAVIORAL POLICY: The following statement is a brief overview of the Middle School academic and behavioral eligibility expectation of all athletes participating in interscholastic sports. (Special Education students subject to latitude of IEP accommodations.)

Students participating in interscholastic athletics will be evaluated every week on Monday. Students who accumulated 20 demerit points based on the following rubric will be deemed ineligible. Teachers will be required to update their Infinite Campus grade books bi-weekly by 8:00 AM the Monday of eligibility evaluation. The athletic office will run a report regarding academic eligibility each Monday. Academic standing is calculated as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>OK</td>
<td>Work is average or above.</td>
<td>0</td>
</tr>
<tr>
<td>W</td>
<td>Warning. - Work is below average but not failing.</td>
<td>5</td>
</tr>
<tr>
<td>F</td>
<td>Failing.</td>
<td>10</td>
</tr>
</tbody>
</table>

A. Athletes will be ineligible to participate in the week's athletic contests if they accumulate 20 or more points on their weekly eligibility check.

B. Athletes who are eligible and are failing any one class may be excused from the first half hour of practice at the discretion of their coach to work with their teacher to bring grade up.

C. Parents will be required to sign and return ineligibility notices the following day. Failure to returned signed notice will result in loss of practice privileges.

D. The athlete's name on the ineligibility list during the season will result in the following consequences:
   1. The first time on list will result in loss of privileges to play in the following week’s scheduled contests. The athlete may practice and travel with the team at the coaches’ discretion, but may not dress for or play in the events or wear game jersey to school on game day.
   2. The second time on list will result in loss of practice and game privilege. Athletes may not practice, travel, or participate in the week's event. Focus will be on academic improvement. Students should use the time from practice/games to study, do homework, and participate in the Homework Lab after school to regain eligibility.
   3. The third time on list will result in dismissal from the team with total focus on academic responsibilities to improve grade standing.

Athletes who are ineligible should report to the Information Center after school each day for help and study time to catch up on academics. Athletes sent to the Assistant Principal's office for misbehavior and subsequent discipline may be suspended from participation or dismissed from the team.

CONDUCT OF AN ATHLETE: A student who elects to participate in athletics is voluntarily making a choice of self-discipline and self-denial. Being a member of an athletic team is a privilege. An athlete's conduct should reflect positively upon himself, his family, school and community.

A. On the field of competition, behavior should reflect good sportsmanship.

B. In the classroom, good citizenship, the highest individual academic effort and social responsibility should exemplify the conduct of a good athlete.

C. The athlete is responsible for equipment and facilities used in performing the activity.

D. Dropping out of a co-curricular activity is a serious matter. As a courtesy, the athlete and parents should discuss this decision with the coach, counselor or athletic director before making a final decision. Athletes choosing to leave a team in mid-season may forfeit their opportunity to participate on other athletic teams during the school year.

E. Middle school athletes should use good judgment in emulating only those college and professional athletes who display positive qualities of sportsmanship.

F. An athlete should respect and adhere to the expectations of the coach as outlined in the sport’s written guidelines.
SCHOOL SUSPENSION: Athletes who are suspended from school for violation of school rules and/or policies will adhere to the following disciplinary guidelines:
A. First Suspension (1-10 days): Athlete may not practice during the suspension period. Athlete may not participate in games/events during the suspension period. Athlete may resume practices when reinstated to classes.
B. Second Suspension (1-10 days): Loss of interscholastic sport privileges for the current season.
C. Third Suspension (1-10 days): Possible exclusion for the remainder of the year depending on the degree of the violation.

USE OF TOBACCO, DRUGS, STEROIDS, AND ALCOHOL: All athletes must refrain from smoking, using chewing tobacco, using or possessing drugs, steroids and/or alcoholic beverages. The consequences for violating these rules are as follows:
1\textsuperscript{st} offense: Results in the immediate termination of all interscholastic athletic privileges and exclusion from athletic participation for the remainder of the school year.
2\textsuperscript{nd} offense: Termination of all interscholastic sports participation for a minimum of 180 school days from the date of the infraction.

ATTENDANCE REQUIREMENTS: Athletes must be in school during the last four class periods of the day event is scheduled unless they are participating in school-sponsored functions. If there are extenuating circumstances to an athlete's attendance, the school attendance office/athletic director will determine eligibility. Athletes absent or late the day following a contest will report the reason to their coach in writing before participating in practice or contests. Playing time in the next scheduled game or meet may be affected by this violation at the discretion of the coach. Athletes who accumulate two unexcused absences from team practice or game(s) on a scheduled school day may be dismissed from the team. Athletes who miss practice may miss a portion or all of the playing time in that week’s contest.

SPORTSMANSHIP: Athletics in St. Johns schools has earned an outstanding reputation for good sportsmanship. Athletes and fans (students and adults) have always conducted themselves commendably. Everyone is proud of this reputation and works hard to uphold it. Please review the following:
A. A student spectator represents his school the same, as does the athlete.
B. The good name of the school is more valuable than a game won by unfair play.
C. Accept decisions of officials without dispute.
D. Recognize and show appreciation of fine play and good sportsmanship by opponents.
E. Advocate those spectators or athletes who continually demonstrate poor sportsmanship be excused from the athletic program.

TRANSPORTATION (BUS CONDUCT): Athletes are required to travel to and from athletic events using transportation provided by St. Johns Public Schools. Athletes leave as a team and return as a team, win, lose or draw. This requirement may be waived by the parents submitting a completed transportation release form to the athletic director’s office one day (mandatory) before the event. No handwritten requests
will be accepted. Transportation Release forms are available on our SJMS website and from the coach.

**Bus Behavior Expectations:**
A. Appropriate noise level.
B. Stay seated.
C. Keep bus clean/your area picked-up.
D. Open windows by permission only.
E. Observe all bus safety rules.
F. Parents are expected to pick up their student athlete as scheduled at the estimated return time at SJMS.
G. Athletes will ride to and from events on the bus assigned, unless parent has turned in Transportation Release Form one day prior to scheduled event.
H. Inappropriate behavior is subject to school discipline according to SJMS Code of Conduct.

**INSURANCE COVERAGE:** Parents or guardians of athletes are required to obtain adequate medical insurance coverage for their children. All students participating in athletic events must carry some health and accident insurance.
A. The St. Johns Public Schools Board of Education does not assume liability for injuries suffered by students while participating in athletic activities. The responsibility for the expenses incurred in athletics for doctors, ambulance, or medical expenses for injury must be assumed by the parent or guardian.
B. The athlete's family's employer's insurance must provide coverage in the case of any injury suffered while participating in athletics in the St. Johns Public School system.
C. The school district offers the opportunity for athletes to purchase reasonably priced insurance coverage from an independent carrier. Inquire at the middle school’s student activity office.

**ILLNESS & INJURY:** Student athletes that leave school sick and are not in attendance the last four class periods may not participate in scheduled practices or games. Students absent from practice due to extended illness or disabling injury must be recertified in writing by their physician for re-admittance to practice, scrimmage and contests. Students excused from Physical Education Class due to illness or injury with a note from parent or physician may not participate in the game, scrimmage or practice on the same date.

**EQUIPMENT RESPONSIBILITIES:** Anyone who fails to return, in good condition, any equipment issued shall be ineligible for any award and for any other sport until equipment is returned or the Athletic Department reimbursed. The theft of school equipment is larceny and Michigan law regards larceny as a felony. Practice equipment and game uniforms will be worn and displayed properly at all times and as directed by the coach.

**UNIFORM RESPONSIBILITIES:** Athletes are to be responsible for the care of the school issued uniform at all times. Uniforms are not to be taken home for any reason. All school issued uniforms will be collected at the end of each competition and laundered by school personnel. Parents and/or guardians are not to alter or attempt to repair uniforms in any way. Please report any issues to the coaching staff or athletic director. Student athletes may be subject to replacement cost if uniforms are altered and/or damaged beyond repair and repair cost may be assessed if deemed necessary.

**SNOW DAY PROCEDURE:** If school is called off during the school day, no athletic games or practices will be held. Tournament games may be held if weather conditions allow. If school is called off before the start of the day (first day), no athletic games or practices will be held. If school is called off before the start of the school day (second day or more), all teams may practice following the gymnasium snow day schedule, unless otherwise notified by the administration.

**AWARDS**
**INTERSCHOLASTIC SPORTS AWARD:** All sixth, seventh, and eighth grade students who complete an interscholastic sport season satisfactorily and in good standing will qualify for and receive an SJMS award certificate for their accomplishments. This award certificate will be presented at the athletic award programs following season play. *In addition, student athletes may be eligible for the Student Athlete Award. See the Student Recognition section for details.*

**CONCERN PROCEDURE - LINE OF COMMUNICATION:**
If an athlete, parent, coach, administrator, or fan has a concern or question regarding an athletic situation, that individual should talk with the person along the communication line that is the source of concern.

A. TALK WITH THE COACH.
B. Talk with the director of athletics.
C. Talk with the principal.
D. Meet with athletic council.
E. Talk with the superintendent or designee.

**ATHLETIC COUNCIL:** The SJMS Athletic Council will be comprised of the Athletic Director, the Middle School Principal, all Head Coaches and a non-coaching faculty member (teacher or counselor). The Athletic Council has the authority to review all cases involving behavior of student athletes that is considered detrimental to the reputation of the team, school, or community.

**ATHLETIC BOOSTERS:** Parents of students who are members of SJMS athletic teams are automatically members of the Middle School Athletic Boosters Club. Consequently, they will be asked to assist with concession sales at least once during an athletic event per season that their child is participating. It is important that Booster Concession Stands be made available during each season, as the money raised is our primary source of revenue to purchase new uniforms and update sports equipment for the Middle School Athletic Program.

**PARTICIPATION FEES:** Each middle school student participating in athletics will be required to pay a $110.00 one-time fee with a family cap of $200.00 at SJMS. This will be assessed for the first time of participation per school year. Students who receive free and reduced lunch will pay a $25.00 one-time fee with a family cap of $50.00.

Each middle school student participating in the spring musical will be required to pay a one-time fee of $50.00. If the student has paid an athletic participation fee during the current school year, the $50.00 fee will be waived.

The “pay to participate” athletic fee must be paid on or before the first day of practice in sports that do not have a “cut” process. All sports with a “cut” process will expect payment of the fee once the teams have been established prior to the first competition. All fees will be collected by the Athletic Director’s office with checks made payable to St. Johns Public Schools.

No student will be ineligible to participate in athletic or musical programs solely due to the inability to pay the registration fee. Parents may make application for the fee waiver or an alternative form of payment by contacting the Athletic Office directly. Fee waiver information and alternative payment arrangements shall be confidential in nature.
Condition for refund for Middle School Only:
The Middle School Athletic Director must approve all participation fee refunds for a student as follows:

<table>
