This handbook is intended for use by students, parents, and staff as a guide to the rules, procedures and general information about the district. The use of the word “parent” in this handbook means a student's natural or adoptive parent or legal guardian. Students and their parents are responsible for familiarizing themselves with this handbook, and parents should use the handbook as a resource to assist their student with following its rules and procedures.

Students must comply with all school policies, regulations, rules and expectations. The use of the word “Policy” in this handbook includes bylaws or policies adopted by the Board of Education. Although the information in this handbook is comprehensive, it is not intended to address every situation that may arise during a school day or school year. This handbook does not create a contract between the District and parents, students, or staff. The administration is responsible for interpreting the rules contained in the handbook to ensure the implementation of the school’s educational program and well-being of all students. If a situation arises that is not specifically addressed by this handbook, the administration may respond based on applicable law and policy.

The rules and information provided in this handbook may be supplemented or amended by the administration at any time, consistent with applicable law and policy.

## NOTICE OF NON-DISCRIMINATION

The District does not discriminate on the basis of race, color, religion, national origin, ethnicity, sex (including pregnancy, gender identity, or sexual orientation), disability, age, height, weight, marital or family status, veteran status, ancestry, genetic information, military status, or any other legally protected category (collectively, “Protected Classes”), in its programs and activities, and provides equal access to the Boy Scouts and other designated youth groups as required by law.

The District prohibits unlawful discrimination, including unlawful harassment and retaliation. The District will investigate all allegations of unlawful discrimination and will take appropriate action, including discipline, against any person who, following an investigation, is determined to have engaged in unlawful discrimination.

“Unlawful harassment” is verbal, written, or physical conduct that denigrates or shows hostility or aversion toward a person because of the person’s membership in a Protected Class that has the purpose or effect of: (1) creating an intimidating, hostile, or offensive environment; or (2) unreasonably interfering with the person’s ability to benefit from the District’s educational programs or activities.

- **Race, color, and national origin harassment** can take many forms, including, but not limited to, slurs, taunts, stereotypes, or name-calling, as well as racially motivated physical threats, attacks, or other hateful conduct. Harassment based on ethnicity, ancestry, or perceived ancestral, ethnic, or religious characteristics is considered race, color, and national origin harassment.
- **Disability harassment** can take many forms, including, but not limited to, slurs, taunts, stereotypes, or name-calling, as well as disability-motivated physical threats, attacks, or other hateful conduct.
- **Sex-based harassment** can take many forms. For the definition of sex-based harassment, including sexual harassment under Title IX, see Policies 3118 and 5202. The District’s Title IX Policy is attached to this handbook as Appendix A.

Any student who witnesses an act of unlawful discrimination, including unlawful harassment or retaliation, is encouraged to report it to District personnel. No student will be retaliated against based on any report of suspected discrimination. A student may also anonymously report an incident of unlawful discrimination. The District will investigate anonymous reports pursuant to its investigation procedures described by Policy. Minor students do not need parent permission to file complaints or participate in the formal complaint resolution process described by Policy.

If you or someone you know has been subjected to sex-based discrimination, harassment, or retaliation, you may file a report with any District employee. Formal Complaints of sexual harassment must be filed with the Title IX Coordinator:

## General Information

It is the policy of St. Johns Public Schools that no person or applicant shall be discriminated against based on any protected class, be excluded from participation in, or be denied the benefits of any program or activity and in employment.

## Student Accountability

This handbook contains STRIVE Academy rules and regulations. Each student is responsible to read and understand its entire contents. Failure to read this booklet is an unacceptable reason for not following the rules. If you have any questions, please discuss it with an administrator, a teacher, or your parents.

STRIVE Academy places great emphasis on providing opportunities for you to make good decisions as you work to resolve everyday issues. These opportunities are part of an educational program to help you meet your individual needs. We are all partners in the program and all our needs must be met. Everyone is treated fairly; not necessarily in the same manner, due to the strong individual differences in our student body makeup.

Through the accountability system, students are made aware of and held accountable for their responsibilities to themselves and others. To remain in good standing in the program, you are expected to:

- Maintain daily attendance (online or in person)
- Make satisfactory progress in all classes, academically and socially.
- Conduct yourself with an appropriate and positive attitude.

## Transportation

Transportation is available within the St. Johns school district. All students are responsible for knowing and following St. Johns Public Schools transportation rules and guidelines.

## Student Parking Permit Rules and Guidelines

**Only students with a valid driver's license will be issued a parking permit.** Students wishing to drive to school must park in the school lot and are required to register their vehicle with the main office. This permit is good for one school year. It is the student's responsibility to notify the office of any vehicle changes. Student parking is not permitted elsewhere, including the courthouse and other places of business near the STRIVE Academy. Students parking in the school lot are doing so at their own risk. The school is not responsible for damage, theft, etc. **Student vehicle registration forms must be on file in the office before you drive to school.**

1. Each student driving to school should:
  - a) Observe a 5 miles per hour speed limit in the parking lot.
  - b) Beware of the small children in this area and exercise extreme care.
  - c) Stay out of the parking lot during the school day unless permission (and pass) is obtained from the office.
  - d) Observe "noise ordinances" and respect people who live near the parking lot. Keep the music down!
2. Students must park in one parking spot only. One warning will be given before the vehicle is towed at the owner's expense.
3. Careless or reckless driving will be reported to parents and to the proper authorities.
4. Drivers are not permitted to transport unauthorized students.
5. Mopeds must be parked in bicycle parking areas only.
6. Violations of regulations may result in suspension, and/or loss of driving privileges.
7. Vehicles parked at school are subject to search and seizure based on reasonable suspicion by the administration. Failure to allow a search is cause for suspension from school.
8. Nothing that can be distracting in any manner may be displayed on or inside vehicles. This may include flags, banners, window paint, etc. as determined by school officials.

## **Change of Address**

Parents should notify the Principal's office of changes in parent name, address, custody arrangements, courts orders, etc.

## **Rights of Custodial and Non-Custodial Parents**

Unless a parent has provided the building principal or designee with a court order that provides otherwise, District personnel will treat each parent, regardless of custody or visitation rights, the same as to accessing student records, meeting and conferring with District personnel, visiting a child at school, and transporting a child to or from school. District personnel are not responsible for enforcing visitation or parenting time orders.

Parents, regardless of custodial status, will be provided information about conference times so both parents may attend a single conference. The District is not required to schedule separate conferences if both parents have been previously informed of scheduled conference times.

If either or both parents' behavior is disruptive, staff may terminate a conference and reschedule it with appropriate modifications or expectations.

## **Extra - Curricular**

Students who are removed from an extracurricular activity and/or school field trip for behavioral or disciplinary reasons may be barred from attending all extra-curricular activities for the remainder of the trimester or school year.

## **CellPhone Use**

Students may use cell phones or other electronic devices during passing time and during lunch, so long as they do so safely, responsibly, and respectfully, and comply with all other school rules while using the devices.

Students are personally and solely responsible for the security of their cell phones and other electronic devices. The District is not responsible for theft, loss, or damage of any cell phone or other electronic device.

Students may not use cell phones or other electronic devices while they are in locker rooms, restrooms, or any other area in which others may have a reasonable expectation of privacy.

Taking, disseminating, transferring, or sharing obscene, pornographic, lewd, or otherwise illegal photographs, video, audio, or other similar data, whether by electronic data transfer or otherwise (including via cell phone or other electronic device), may constitute a crime under state or federal law. A student engaged in any of these activities at school, at a school event, or on school-provided transportation, may be subject to discipline.

A student engaged in any of these activities outside of school may be disciplined if the student's activities substantially disrupt or negatively affect the school environment.

1. Students may not use electronic communication devices (ECD) during class times unless designated by the teacher. Violation of this rule may result in disciplinary action.
2. School administrators and teachers may confiscate a student's cell phone or other electronic device if the student's use or possession of a cell phone or electronic device violates Board Policy, the student code of conduct, or any applicable building or classroom rule. The building principal or designee may require a meeting with the student's parent to discuss the rule violation before returning the cell phone or electronic device.

## **Visitors**

Only STRIVE Academy students, school employees and guest speakers are to be in the classrooms or hallways.

## Library Policy

The library is currently available to students during the school day, before and after school. Books are to be checked out in the office. If we do not have a book you would like to borrow, please ask in the office and we will try to locate the book for you.

5. Medication shall be transported to and from school by the parent/guardian unless other safe arrangements are necessary and are made in advance with the school.
6. **A physician's written order is required for a change in medication dosage or time of administration.**
7. Injectable medication may be self-administered. If the student has an emergency and cannot personally inject their medication, EMS will be called to the scene. School personnel will not be expected to administer subcutaneous or intramuscular injections not supplied in auto-pen form.
8. Prescription and medication supply renewal shall be the responsibility of the parent/guardian.

### **Procedures for student self-administration/self-possession of Inhalers or Emergency Medication only:**

Definition: Self-administration means that the student is able to administer medication in the manner directed by the physician without additional assistance or direction. Self-possession means that under the direction of the physician, the student may carry medication on his/her person to allow for immediate and self-determined administration.

1. The student's parent/guardian must provide written permission and request to the school to allow students to self-possess and self-administer inhalers or emergency medications.
2. Written instructions which include: name of student, name of medication, dosage, time to be administered, route of administration, duration of administration, and the physician/provider instruction that the student may self-possess and/or self-administer must be provided to the school.

4. All medication shall be kept in a labeled container as prepared by a pharmacy or pharmaceutical company and labeled with dosage and frequency of administration. This language also pertains to refills.

## Stock Epinephrine

Each school in the district shall have at least two stock epinephrine auto injectors available at the school site. Only a licensed registered professional nurse employed by the district or a school employee who has successfully passed the required training shall be allowed to administer stock epinephrine auto injectors to students. The school nurse or trained school employee may administer the stock epinephrine auto injector to any student who has a prescription on file with the district or any individual on school grounds who is believed to be having an anaphylactic reaction.

Procedures for student self-administration/self-possession of inhalers or emergency medication only:

**Definition:** Self-administration means that the student is able to administer medication in the manner directed by the physician without additional assistance or direction. Self-possession means that under the direction of the physician, the student may carry medication on his/her person to allow for immediate and self-determined administration.

1. The student's parent/guardian must provide a written permission and request to the school to allow the student to self-possess and self-administer inhalers or emergency medication.
2. Written instructions which include the name of the student, name of the medication, dosage, time to be administered, route of administration, duration of administration, and the physician/provider instruction that the student may self-possess and or/self-administer must be provided to the school.
3. A Medication Authorization Form must be renewed each school year. Parental or guardian request/permission and physician's instructions are valid for the current school year only.
4. All medication shall be kept in a labeled container as prepared by a pharmacy or pharmaceutical company and labeled with dosage and frequency of administration. This language also pertains to refills.

## Children's Protective Services Investigations

The District will cooperate with Children's Protective Services (CPS) during an investigation of suspected child abuse or neglect. Cooperation may include allowing CPS access to a student without parent consent if CPS determines access is necessary to complete the investigation or prevent abuse or neglect. As a matter of law, the identity of an individual who makes a report of suspected child abuse or neglect is confidential and will not be disclosed.

## Closed Campus

The school campus is a closed campus. All students must remain on campus during school hours. Students who leave campus without authorization are subject to disciplinary action.

## Law Enforcement Interviews

Law enforcement officers may be called to the school at the request of school administration. Students may be questioned by law enforcement consistent with Policy 5201. Students may be questioned by school officials at any time, without parent notice or consent, consistent with the District's obligation to maintain a safe and orderly learning environment.

## Limited English Proficiency

Limited proficiency in the English language should not be a barrier to a student's equal participation in the District's instructional or extracurricular programs. Those students identified as having limited English proficiency will be provided additional support and instruction to assist them in gaining English proficiency and in accessing the educational and extra-curricular programs offered by the District.

# EDGENUITY/E2020 Daily Work Policy

## Mentor Teacher

Each student is assigned to a Mentor teacher. Mentor teachers work with students on planning schedules, career exploration, and educational planning. All students and student parents should get to know their mentor teacher as they will become an important part of school life.

## In School Students

Through the use of the online learning system, instructors are able to track individual student effort and progress each day. With focus and commitment, each student is expected to complete at least 10% of the course expectations each day. This percentage can apply to one class or a combination of classes. If a student misses a day of school, the daily percentage will need to be made up. To reward diligent effort, students who are present and on time, have the opportunity (with parent/guardian permission) to leave 1 hour early (or come in 1 hour late) without penalty by completing 10% each day **before** they leave. If a student has completed at least 50% of the expected progress by Thursday, they can earn the opportunity to have Friday off. If a student is absent during the week, the percentage must be made up before they are able to earn Friday off.

## Full Time Virtual Students

**The virtual program is viewed as an extension of the classroom. Students receiving virtual instruction will have the same behavior expectations that in-person students have and may be subject to school disciplinary action if an infraction occurs.**

Being a full-time virtual student allows students to work on Edgenuity/E2020 classes from home. Students who are full-time virtual student status will sign an agreement to meet a weekly goal in order to remain a full-time virtual student. Students will have two-way communication with the teacher a minimum of two (2) times each week. The week, for the purpose of contact, will be considered Wednesday through Tuesday. If students have any questions they may call the school during normal business hours or email the teacher. A student, who is a full-time virtual student, is not to be on school property before, during or after school without pre-arranging the visit with the staff. Full-time virtual students who fail to maintain sufficient contact with the mentor teacher (2 times per week) or does not meet weekly goals could be subject to having the full-time virtual student status revoked.

Only upperclassmen may take advantage of being a full-time virtual student, unless the student has been given a Requirement Bypass and a clearly defined Contract associated with the following:

**Health Issues** – this issue must be confirmed by a doctor's note.

**Scheduling Conflicts (work)** – the student must bring a copy of their schedule to the office for each work scheduling period and a work contact number must be supplied.

**Transportation Issues** – the parent/student must justify that transportation is creating a legitimate barrier for the student getting to school. The student/parent must be aware that not meeting virtual student goals will still be handled in the usual manner; the student will be required to work in school or they will be dropped. Before a student begins a full-time virtual student status under these circumstances it would be wise to have a back-up plan in place.

**Other** – if there are other legitimate circumstances why a student should have the option of working on a seat-waiver they can be addressed on a case-by-case basis.

## Blended Schedule

Only upperclassmen may take advantage of the Blended Schedule Program unless the student has been given a Requirement Bypass and a clearly defined contract associated with the following:

- **Health Issues** – this issue must be confirmed by a doctor's note.
- **Scheduling Conflicts (work)** – the student must bring a copy of their schedule to Mrs. Zampaloni for each work scheduling period and a work contact number must be supplied.
- **Transportation Issues** – the parent/student must justify that transportation is creating a legitimate barrier for the student getting to school. The student/parent must be aware that not meeting the Blended Schedule goals will mean the student is required to resume working in school full-time or they will be dropped.
- **Other** – if there are other legitimate circumstances why a student should have the option of working on a seat-waiver they can be addressed on a case-by-case basis.

Students must earn the privilege of working on a Blended Schedule. To earn this privilege a student must meet their Weekly Progress Goals for no less than four consecutive weeks and qualify as described above.

The teacher in charge of monitoring students on the Blended Schedule will track student's weekly progress and communicate their overall status.

## Cheating

Whenever a student is found guilty of cheating, the teacher shall collect the student's paper (or suspend online access), mark a zero for the work, and notify the parent and the principal of the action taken. The parent will be notified that a second offense may result in suspension from/failure of the class.

## Lockers/Parking Lot

Students and parents should be aware that lockers and the school parking lot are school property and subject to both visual and canine searches if school officials believe reasonable grounds exist that a violation of the law or school rules is taking, or has taken, place.

STRIVE Academy is not responsible for student valuables, money or stolen items on school grounds. Students who find it necessary to carry valuables or large sums of money are encouraged to leave such valuables in the main office for safekeeping. Broken or damaged lockers should be reported to the office for repair.

The STRIVE Academy locker policy is consistent with Michigan School Code Sec. 1306, in which the school lockers may be searched without reason, without notice and may be assisted by law enforcement.

## Security

To help ensure the safety of students and staff, exterior doors must remain locked and closed during the school day. Any student tampering or propping open an exterior door is subject to discipline at the discretion of administration.

## Publications

The principal or his designee must approve all publications. Anyone who distributes unauthorized materials faces disciplinary actions up to and including expulsion from school.

## School Hours

STRIVE Academy will be open to students between the hours of 7:30 am and 3:00 pm.

## Video Surveillance

The premises of STRIVE Academy are under constant video surveillance. These systems have been put in place to protect students, staff, visitors, and school property. If a discipline problem is captured on videotape, that recording may be used as the basis for imposing student discipline. If criminal conduct is recorded, a copy of the tape may be provided to law enforcement personnel.

## Attendance/Tardy Policy

If you want to turn school around, to learn, and to improve specific skills, you must be in school to do it. Performance and achievement in the classroom are directly related to student presence in school and the classroom. Any absence from school may be detrimental to a student's progress. An absence is considered as missing 3 or more hours of a school day without a valid excuse (i.e. Doctor's appointment/note, funerals, court appointments, etc.). Tardy is coming in more than 15 minutes late. If absences are unavoidable, please adhere to the following:

- a) Parents or guardians must call the school by 8:00 a.m. on the day of your absence. If you are not in attendance, we will make every effort to contact you and your parents or guardians.
- b) **Unverified Absences: It is the responsibility of the student to verify their absence with a note and/or doctor's excuse within 24 hours of their return to school.** Unverified absences will be considered unexcused.

## Attendance/Tardy Policy Continued

**Ten (10) or more absences (excused + unexcused), per trimester will result in being dropped for the remainder of the trimester.** Special circumstances (funerals or medical situations, etc.) will be evaluated on a case by case basis. You will be able to re-enroll for the next trimester if there are open spots available. Three (3) unexcused tardies will be considered equivalent to 1 absence.

By failing to attend school you are showing your disinterest in your education. This lack of interest, ultimately, is leading to a lack of progress in your classes and delaying or reducing your likelihood of graduating.

Students who attend in school and willfully do not make progress in their class will be considered absent for the day. These absences will count towards your total days absent.

## Attendance Probation

**A student will be put on attendance probation if they have missed 10 or more days in a trimester. The student and parent/guardian will meet with the mentor teacher and the school liaison contact for Truancy Intervention Program to discuss a plan for the student. This plan will be written, and all parties will sign the plan. A copy will be mailed to the parent(s) and a copy will be placed in the students academic file. The student will be removed from attendance probation when all conditions have been met.**

## Tardiness

Tardiness will not be tolerated. The school consists of one hall so there is plenty of time to get to class. If a student is late because they are with a teacher, the tardy will be excused. If a student is late because they are taking extended bathroom breaks or being irresponsible, they will receive one warning before receiving a write up.

**NON-CHARGEABLE ABSENCES: Certain school-related absences will not be charged toward the attendance requirement or outstanding attendance incentive, such as:**

- **Approved school activities.**
- **Class absence due to an appointment with school personnel.**
- **Arrangements for college visitations made through the Main Office.**
- **School-imposed suspension.**

## Sleeping During Class

We understand that working behind a computer all day can be difficult, but we have afforded our students various accommodations to help them overcome this challenge.

With permission from a teacher, students may take short walks through the halls and get their heart pumping. They may bring caffeine to school or purchase it in the office. They receive longer breaks so that they can peel their eyes away from the computer. They can also take notes (by hand or online) or chew gum, which can help one stay alert.

1. This Handbook serves as the student's warning. Students will be sent home for sleeping.
2. Students will receive a behavior-referral for each time they are sent home after the first.
3. Students will then suffer a behavior-referral consequence according to how many referrals they have received (according to the student handbook).
  - a. Step 1 – Verbal Warning
  - b. Step 2 – 1 Day out-of-school suspension (student sent home)
  - c. Step 3 – 3 Day suspension (student sent home)
  - d. Step 4 – Removal from the Program for the remainder of the year (student sent home).

## Health Issues

Report any illness and the need for first aid to the office. Students that do not feel well may sit in the secretary's office until their parent or guardian picks them up. They will not be allowed to rest/sleep there and then return to class afterward. Friends will not be allowed to transport students. It is important that emergency care forms are up to date so that parents can be located when illness or accidents occur.

## Leaving the Building

Leaving the building without prior permission from a parent or guardian is a serious offense and will not be tolerated. The student will receive one formal documented warning and any further offenses could lead to removal from the program. **Permission to leave school must be obtained prior to leaving school and must be presented to the secretary or principal before leaving for the day. Unauthorized leaving will result in an automatic 3 day out-of-school suspension.**

## Vacations

Vacations scheduled during school time are not recommended. However, during times when such vacations are unavoidable, arrangements can be made for students to work remotely if they have access to the internet and a computer. This will allow you to stay on track towards completion of classwork. When this is possible, vacations must be pre-arranged one week in advance, so that staff can make online instruction available during that particular week. Vacation days are chargeable against the attendance policy unless students make prior arrangements and keep up with weekly class progress online.

## Good Neighbor Policy

The STRIVE Academy is a shared facility. Students are expected to remain in the designated school area and be respectful of the tenants, their space, clients, and visitors. If a staff member has to speak with any student regarding this subject, the student may be subject to discipline.

## **Signing In and Out**

Any student who must leave the building during the school day **must present a note or a phone call from a parent/guardian to the attendance office requesting permission to leave, text and other forms of messages are not accepted.** Any student leaving the building during the school day must sign out and sign back in upon return to the attendance office. Any student who becomes ill during school hours must report to the clinic. The office will make every effort possible to contact parents/guardians before a student may leave. Any student who does not follow the procedure will be unexcused and disciplined under the unexcused absence procedure. Students who are leaving with another student who is not from the same household, must show permission through a note, email or a phone call to the office. Otherwise, this will be considered leaving without permission and the student will be suspended for three (3) days.

## **Majority, of age**

Students who are 18 years of age may notify the office that they wish to be responsible for themselves. A student who is 18 must follow the same rules and regulations as all students at STRIVE Academy. STRIVE Academy is a closed campus, and leaving will be for emergencies only.

## **Student Conduct**

Appropriate student behavior for a public school is expected at all times. Any behavior detrimental to the educational process, as determined by the administration is subject to discipline up to and including expulsion.

## **Special Event Permission**

It is the policy of STRIVE Academy to give permission to attend special high school events only to students who are in good standing academically and behaviorally. A student must maintain the weekly academic progress goals for the previous 6 weeks and not have received any major disciplinary actions in the previous 6 weeks prior to the event. Examples of major disciplinary actions are (but are not limited to): Suspension, Fighting, Weapons, and Substance Abuse.

## **ID'S**

Students will be issued a picture ID at the beginning of the school year. It is suggested that students carry their ID at all times. Students may be required to show their ID at all school activities.

## **Deliveries (Flowers, Gifts and Balloons, etc.):**

STRIVE Academy School will not be monetarily responsible for these types of items at any time. Any items must go to the main office.

## **Computer Misuse**

There are many types of computer crimes. All are serious offenses. E2020/Edgenuity classes are a core aspect of our curriculum. Students that lose their privileges to use the computer will fail their classes unless they are able to complete their work at home and pass the corresponding exams at school.

## **Pictures/Video Streaming/Recording**

Students may not use their cell phones/electronic devices to take any picture(s), video or streaming of other students, teachers or classrooms without the prior permission of building administration. This includes capturing any type of image on school property or at school events. Please see Board Policy 5136. Any violation of this policy will result in disciplinary action up to and including suspension and/or expulsion.

## Network/Internet access

Upon entering St Johns Public Schools, each parent/guardian is expected to complete a Network/Internet Access permission slip. This “permission” will remain in effect for the student’s entire time at SJPS unless changed by the parent/guardian. New permission slips and a copy of the Technology Access and Use Policy and Guidelines may be found at [www.sjredwings.org](http://www.sjredwings.org) or by contacting the principal’s office.

School Guidelines: Computer crimes will result in immediate reporting to the proper authorities and removal of the student from the network system\*.

2<sup>nd</sup> Offense: The student will be removed from the network system indefinitely and removed from the class until a meeting with the parent, teacher and principal takes place.

## Computer Lab Policy

This policy applies to all computer labs in the STRIVE Academy building, including the media center. All users must agree to adhere to the St Johns School District Acceptable Use Policy (technology contract). In signing the agreement and being given internet access, you have agreed to follow all of its provisions. E-mail is to be used for educational purposes only and under the direct supervision of the instructor making the assignment. Email for educational purposes is available in the labs.

In addition to the terms of the Acceptable Use Policy and Handbook provisions, it is critical that you remember: DO NOT:

- download any programs (share, freeware, trial, or other) to the computer OR to your files on the F: drive (this includes Napster, Shockwave, Instant Messenger, etc.)
  - play computer games (on hard drive, A drive CD-ROM drive, or Internet.)
  - send a print job to the printer more than ONCE without checking with the teacher.
- change configurations (desktop appearance, resolution, or any related functions) on any computer.
- enter or participate in chat rooms; use an instant messenger program (AOL, Yahoo, MSN, or other.)

## **Fighting**

Fighting will result in an automatic suspension ranging from 3-10 days, possibly longer. Assault charges will be filed with the police if such action warrants.

- Students watching a fight may be suspended.
- Any student who takes video of a fight is subject to suspension from school.

Distributing or promoting a school fight in any manner is also subject to discipline.

## **Defiant Behavior**

Defiant behavior of any kind will not be tolerated. This includes cursing at any staff member or student, or refusing to comply with instructions given by a member of the staff, etc. Any student that engages in this sort of behavior will be sent home for the day and their parent or guardian will be notified. The student will not be allowed to return to school until their parent or guardian has met with the principal. At that point the teachers/principal will decide what steps the student will assume based on the 5-step plan and if the student does not comply they will be removed from the program.

## **Classroom Discipline**

Discipline in the classroom is essential. The classroom teacher will handle normal classroom disruptions. Recurring or habitual disruptions will be brought to the attention of the Principal. Parental contacts and or additional discipline may be taken. Severe misbehavior will be brought to the immediate attention of the Principal, and the appropriate action will be taken. The behavior could cause the student to be removed immediately from the classroom or the school.

## **Student Referrals & Data Collection:**

All discipline issues will be documented. Major offenses will involve a suspension (or possible expulsion) with a removal from the program for a second major offense.

## **Discipline Steps**

- Step 1 – Verbal Warning. (No parent or guardian required.)
- Step 2– 1 Day Out of school suspension. Parent or guardian notified as above.
- Step 3– 3 Day suspension (optional in-school suspension) Parent or guardian notified.
- Step 4 – Removal from the program, with the option to return (re-enrolling) at a later date.

## **Suspension Definitions**

On days of out of school suspension students are encouraged to make up missed assignments, however, credit will not be given. An appropriate time frame to complete work missed while suspended must be arranged between the teacher and student. However, when students are suspended and they have prior knowledge of certain classroom assignments (notebooks, reports, quizzes, tests, speeches, etc.) they are expected to have these requirements ready upon the date of return from suspension. When students are suspended from school they cannot opt out of a final exam.

## **Short Term Suspension**

A short-term suspension occurs when a student is suspended for one (1) school day, up to and including ten (10) school days. During a short-term suspension, the student's rights and privileges of attending school, including extra curricular activities are suspended. The principal or his designee may issue short-term suspensions.

## **Long Term Suspension**

A long-term suspension is when a student is suspended for more than ten (10) school days and less than one (1) semester. During a long-term suspension, the student's rights and privileges of attending school, including extra curricular activities, are suspended. The Board of Education or its designee may issue long-term suspensions.

## **Expulsion**

An expulsion occurs when the Board of Education terminates the student's rights and privileges to attend school, including extra curricular activities. An expulsion is for an indefinite time, unless otherwise specified by the school board or state law.

## **Appeals**

To initiate an appeal, the student/parent or guardian must submit a written appeal to the principal within one business day of the assignment of disciplinary action. Failure to do so will result in the expectation that the student will follow through with the discipline assigned.

## **Restorative Justice**

If the Superintendent (or his/her designee) determines that it will utilize restorative practices in addition to or as an alternative to suspension or expulsion of a student, it will engage in restorative practices which emphasize repairing the harm to the victim and school community caused by the student's misconduct. Restorative practices may include victim offender-conferences that:

- A. are initiated by the victim;
- B. are approved by the victim's parent or legal guardian or, if the victim is at least fifteen (15), by the victim;
- C. are attended voluntarily by the victim, a victim advocate, the offender, members of the school community, and supporters of the victim and the offender (the "restorative practices team");
- D. would provide an opportunity for the offender to accept responsibility for the harm caused to those affected, and to participate in setting consequences to repair the harm, such as requiring the student to apologize; participate in community service, restoration of emotional or material losses, or counseling; pay restitution; or any combination of these. The selected consequences and time limits for their completion will be incorporated into an agreement to be signed by all participants.

## **Emergency Removal, Suspension & Expulsion**

Consistent with Board Policy (5610), a student may be removed from the classroom, suspended or recommended for expulsion for persistent disobedience or gross misconduct. If suspension (or expulsion) for persistent disobedience or gross misconduct beyond 10 school days is considered, the Superintendent (or his/her designee) shall consider the following factors:

- A. the student's age
- B. the student's disciplinary history
- C. whether the student has a disability
- D. the seriousness of the violation or behavior
- E. whether the violation or behavior committed by the student threatened the safety of any student or staff member
- F. whether restorative practices will be used to address the violation or behavior

## **Snap Suspension**

This law allows a staff member to suspend a student from class, up to one day, if the staff member has good reason to believe the student's conduct merits suspension under the school board policy or student code of conduct. Any student suspended pursuant to this policy shall not be allowed to return to the class or activity from which he or she was suspended until the passage of one school day unless otherwise permitted by the staff member who initiated the suspension and principal or the principal's designee.

## **Forgery**

Falsely using or signing the name of another person, falsifying any form or document or data will result in a school suspension and could be subject to other legal action.

## **Gangs**

Any gang related activities, such as threats, coercion, fights and/or paraphernalia will be dealt with seriously – up to 10-day suspension. Also, all activities will be reported to the police.

## **Habitual Offenders**

Persons with multiple violations of disciplinary rules will be liable for progressive discipline up to and including suspension from school.

## **Bullying, Intimidation & Harassment**

Bullying, intimidation, and harassment are not acceptable in any form and will not be tolerated at school or any school-related activity. The school will protect students against retaliation for reporting incidents of bullying, intimidation, or harassment, and will take disciplinary action against any student who participates in such conduct.

No person shall harass, intimidate or bully another based upon race, color, national origin, sex, sexual orientation, disability, age, or religion. The school and district will not tolerate harassing, intimidating conduct, or bullying whether verbal, physical, or visual, that affects tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment.

Examples of prohibited conduct include name-calling, using derogatory slurs, causing psychological harm, threatening or causing physical harm, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above. Examples of sexual harassment include touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, and spreading rumors related to a person's alleged sexual activities.

## **Hazing**

Hazing activities of any type are inconsistent with the educational process, a violation of Michigan criminal law, and are prohibited at all times. Hazing means an intentional, knowing, or reckless act by a person acting alone or acting with others that is directed against an individual and that the person knew or should have known endangers the physical health or safety of the individual, and that is done for the purpose of pledging, being initiated into, affiliating with, participating in, holding office in, or maintaining membership in any organization. Permission, consent, or assumption of risk by an individual subjected to hazing does not lessen the prohibition.

## **Intimidation/Verbal Assault/ Or Sexual Harassment**

The act of taunting or threat by force or verbalization against a fellow student or school employee may result in disciplinary action, up to and including suspension/expulsion. If this behavior occurs immediate contact should be made with the assistant principal/principal.

## **Lunch Period**

The lunch period is a time to eat, relax, and enjoy conversation with fellow students. All of the St. Johns Public Schools, including the **STRIVE Academy, are closed campuses.**

## **General Guidelines**

## **Overly Affectionate Behavior**

Overly affectionate is considered unacceptable in the school setting. Anything beyond hand holding is considered overly affectionate. First offense will be a formal warning, 2nd offense will be a 1 day out of school suspension, and 3rd offense will result in a 3 day out of school suspension.

## **Physical Assault: (Student to Adult)**

Section 1311A (1) 2000 of the amended school code, addresses physical assault upon school employees, volunteers, or contractors. Any student in grade six or above who physically assaults a school employee, volunteer, or contractor may be suspended or expelled up to 180 days or more, subject to possible reinstatement review after 180 days. This statute defines physical assault as intentionally causing or attempting to cause physical harm through force or violence. The law also requires school officials to report all assaults to appropriate state and local law enforcement agencies.

## **Physical Assault: (Student to Student)**

Section 1310 (1) 2000. If a student enrolled in grade 6 or above commits a physical assault that occurs on school property, at any school-sponsored activity, or on any school-related vehicle and the assault is reported to the Board of Education, the board may suspend or expel the student for up to 180 days.

## **Prohibited at School**

Problems arise each year because students have articles that are hazardous to the safety of others, or interfere with classroom activities and school procedures. Such items include, but are not limited to: lighters, toy guns, water pistols, knives, firearms, firecrackers, and laser lights. These items will be taken from the student. Fireworks are prohibited on school grounds and any use or possession will result in an indefinite suspension.

## **Weapons Policy**

The St. Johns Board of Education has approved a Weapon/Firearms and Expulsion Policy. Both State and Federal law require this policy. The St. Johns Public Schools policy regarding the possession of a dangerous weapon or firearm states the student possessing a dangerous weapon in buildings or at school district events shall be expelled from school and referred to the criminal justice system. Expulsion is mandatory unless a pupil can prove in a convincing manner he did not know the object was a weapon or was not knowingly possessed by the student. In grades 5 or below, the expulsion is for a minimum of ninety days, subsequent to the date of the expulsion.

## Weapons Policy Continued

Weapons include, but are not limited to, a firearm, gun, revolver, pistol, firearm look-a-like items, dagger, knife, pocket knife, iron bar, or brass knuckles. Also, wallet chains are unacceptable.

State law may require that a student be expelled from school for a period of one (1) year if s/he brings onto or has in his/her possession on school property or at a school-related activity any of the following:

- Any explosive, incendiary, or poison gas including bombs, grenades, rockets, missiles, mines, or devices that can be converted into such a destructive item.
- Any cutting instrument consisting of a sharp blade fastened to a handle. Any similar object that is intended to invoke bodily harm or fear of bodily harm.

## Use of an Object as a Weapon

Any object that is used to threaten harm or harass another may be considered a weapon. This includes but is not limited to padlocks, pens, pencils, laser pointers, jewelry, and so on. Intentional injury to another can be a felony and/or cause for civil action. This violation may subject a student to expulsion.

## Knowledge Of Dangerous Weapons or Threats Of Violence

Because the Board believes that students, staff members, and visitors are entitled to function in a safe environment, students are required to report knowledge of dangerous weapons or threats of violence to the principal. Failure to report such knowledge may subject the student to discipline.

## Projectiles

Students will be held responsible for using an item (i.e. pen, pencil, rubber band) as a projectile that could subsequently harm another person.

## Cell Phones/Electronic Communication Devices

Students may not use electronic communication devices (ECD) during Class times unless designated by the teacher. The student who possesses a cellular phone or ECD shall assume responsibility for its care. At no time shall the District be responsible for preventing theft, loss or damage to cell phones or ECD's brought onto its property.

1. **First offense** is turned off and turned into the office. The phone is returned to the student at the end of the school day. If a student refuses to turn in the cellphone/ECD the parent is called to pick up the student.
2. **Second offense** - If a student refuses to turn in the cellphone/ECD parent is called to pick up the student, the student will be assigned a 1 day Out of School Suspension.
3. **Third offense** (as well as any additional) will result in progressive discipline, including suspension from school.

## Proper Dress and Grooming

The use of common sense and good taste is the best rule. If it comes to the attention of the administration or the staff that a person's appearance is objectionable and disruptive to the educational process, that person will be required to alter the situation or face possible suspension from school. Students are not permitted to wear clothes that are distracting or cause classroom disruptions, display profanity, are sexually suggestive, promote the use of controlled substances, or gang activity. Examples are the Co-Ed Naked logo or Big Johnson.

### As a frame of reference, the following standards shall be in operation:

1. Shoes MUST be worn at all times.
2. Inappropriate language/signs/symbols worn on clothing shall be prohibited. (This shall include, but not be limited to, any message, derogatory comments regarding any race, creed, religion or national origin, and any material, which encourages substance use/abuse.)

8. Dress which is deemed to be detrimental to the student (i.e. non-prescription sunglasses worn indoors) will be prohibited.

## Use/Possession of Tobacco Products/Nicotine Delivery Devices

Use and/or possession of tobacco products or nicotine delivery devices are prohibited at all times in the buildings, on school grounds, school buses, or at school activities. This also includes electronic cigarettes, vaping devices, paraphernalia, or supplies. Students violating this policy are subject to the following School Board regulations:

**First offense** will carry an immediate 6-day suspension from school,

**Second offense** will carry an indefinite suspension and a letter may be sent to the parents requesting a conference with all parties.

**If there is a third offense**, the student will receive an indefinite suspension, with the possibility of school board involvement.

## Substance Abuse

Teachers have the right to determine whether they think a student is “under the influence” of a harmful substance based upon physical, mental and behavioral indicators. A teacher that suspects such abuse will confer with other staff, and the principal, to determine a course of action. Repeated substance abuse violations will be cause for removal from the program.

### SUBSTANCE ABUSE POLICY:

A. **First Offense** (Possession, Use and/or Under the Influence, including drug paraphernalia and look-alike substance):

1. Ten (10) day suspension. The suspension may be modified, under extenuating circumstances, at the discretion of the supervising administrator, with voluntary participation in a drug assessment program approved by the school administrator. A minimum five (5) day suspension from school is mandatory. Board policy on suspension and expulsion shall be followed, including the right to appeal.
2. The school may recommend the following for parent consideration:
  - A. Drug assessment evaluation;
  - B. Enrollment in drug education classes;**

3. The school may recommend the following for parent consideration:
  - A. Drug assessment evaluation;
  - B. Enrollment in drug education classes;
